Alabama Governor: https://governor.alabama.gov/

STATEWIDE

On 3/27, Gov. Kay Ivey announced the closing of most non-essential businesses [for 3 weeks] in the state as the number of confirmed COVID-19 cases continue to climb in the state of Alabama.

Restaurants, medical facilities and grocery stores remain open. For a full list of non-essential businesses and more details for what this means for you, click here. View the order here: https://governor.alabama.gov/assets/2020/03/Amended-Statewide-Social-Distancing-SHO-Order-3.27.2020-FINAL.pdf.
Effective, March 19th- It was just announced that the Alabama Department of Public Health (ADPH) is prohibiting any restaurant, bar or brewery in the state of Alabama from serving food or drink on premises. The regulations are designed to limit the spread of coronavirus, with exceptions for facilities serving emergency personnel and health care providers.

All restaurants, bars, breweries or "similar establishments" are banned from on-premises consumption of food or drinks as of 5 p.m. TODAY.

Take-out and delivery are still allowed. More details are available at AL.com

Effective Wednesday, March 18, locations licensed by the ABC board to sell alcohol either for on-premises consumption and/or off-premises consumption may now sell via curbside pick-up or take-out services. Delivery is not included because it would require legislative action in order to change a state law.

You are limited to one 750-ml bottle of spirits, one 750-ml bottle of wine, or a six-pack of beer per customer. Customers will still be required to produce identification. Download a copy of the order here.

3/17- Gov. Kay Ivey's office announced the Alabama Department of Public Health (ADPH) is prohibiting any restaurant, bar or brewery in the six-county area from serving food or drink on premises. The regulations, designed to limit the spread of coronavirus, will be reevaluated after one week.

ALASKA

Alaska Department of Public Health: http://health.hss.state.ak.us

Alaska Governor: https://gov.alaska.gov/

4/2- Alaska Governor Mike Dunleavy, with the Alaska Department of Health and Social Services (DHSS) today issued an extension to the State of Alaska’s COVID-19 Health Mandate 002 on State Libraries, Archives, Museums and Residential Schools and COVID-19 Health Mandate 003 on Statewide Closure Restaurants, Bars, Entertainment. The restrictions will now remain in place until rescinded.

For a full list of Governor Dunleavy's health mandates Click Here.
March 27, 2020 (Anchorage, AK) – Alaska Governor Mike Dunleavy, with the Alaska Department of Health and Social Services (DHSS) today issued the State of Alaska’s 11th and 12th COVID-19 Health Mandate to protect the public health of Alaskans and disrupt the spread of the virus.

COVID-19 Health Mandate 011: Social Distancing

Mandate 011 states “all persons in Alaska, except for those engaged in essential health care services, public government services, and essential business activities, are mandated to remain at their place of residence and practice social distancing,” effective March 28, 2020 at 5:00pm. The mandate will be reevaluated by April 11, 2020.

Mandate 011 orders individuals to practice social distancing, orders closure of non-essential businesses, and orders employers to take reasonable precautions.

Click here for a signed copy of COVID-19 Health Mandate 011.

COVID-19 Health Mandate 012: Intrastate Travel

Mandate 012 states “all in-state travel between communities, whether resident, worker, or visitor, is prohibited unless travel is to support critical infrastructure; or for critical personal needs,” effective March 28, 2020 at 8:00am. The mandate will be reevaluated by April 11, 2020.

Mandate 012 prohibits personal travel except as necessary to meet critical personal needs or work in critical infrastructure jobs.

Click here for a signed copy of COVID-19 Health Mandate 012.

The Governor’s COVID-19 Health Mandates can be found here.

3/23- Governor Dunleavy issued the 9th and 10th mandates set to go into effect over the next two days. The 9th mandate extended the ceasing of operations for personal care facilities to the entire state of Alaska, where it had previously been limited to the entire state of Alaska, where it had previously been limited to the Fairbanks North Star and Ketchikan Gateway Boroughs. It also banned gatherings of more than 10 people.

Health mandate number 10 imposes a mandatory quarantine for anyone coming into Alaska from domestic or international travel, and that businesses and employees of critical infrastructure must put into place a plan detailing how they would avoid the spread of COVID-19. Failure to adhere to mandate 10 carries with it a fine of $25,000, or no more than one year of prison, or both.

See health mandate page: https://gov.alaska.gov/home/covid19-healthmandates/
Issued: March 17, 2020 By: Governor Mike Dunleavy, Commissioner Adam Crum, Alaska Department of Health and Social Services, Dr. Anne Zink, Chief Medical Officer, State of Alaska

To prevent or slow the spread of Coronavirus Disease 2019 (COVID-19), the State of Alaska is issuing its third health mandate.

Mandate 3.1
By order of the Governor, beginning March 18 at 5 p.m., and continuing until April 1 at 5 p.m., the following mandates are in effect:

With the goal of minimizing in-person interaction in enclosed spaces, effective March 18 at 5 p.m. all bars, breweries, restaurants, food and beverage kiosks or trucks, and other establishments serving food or beverages within the State of Alaska shall be closed to the public dine-in service. All buffets and salad bars are closed to self-service. A copy of this order, or a sign communicating the closure information, shall be prominently posted by the person having control of the establishment.

Places of public accommodation are encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service, and to use precautions in doing so to mitigate the potential transmission of COVID-19, including social distancing.

In offering food or beverage, a place of public accommodation subject to this section may permit up to five members of the public at one time in the place of public accommodation for the purpose of picking up their food or beverage orders, so long as those individuals are at least 6 feet apart from one another while on premises.

All entertainment facilities shall be closed to the public, including theaters, gyms and fitness centers, bowling alleys and bingo halls.

The restrictions do not apply to any of the following:

- Places of public accommodation that offer food and beverage not for on premises consumption, including grocery stores, markets, convenience stores, pharmacies, drug stores, and food pantries, with the exception of their self-service buffets and salad bars.
- Health care facilities, pharmacies, child care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities.
- Crisis shelters, soup kitchens, or similar institutions.
- Employee cafeterias within a business, with the exception of their self-service buffets and salad bars.
- Restaurants and food courts inside the secured zones of airports.
These measures are being implemented to protect all Alaskans and we appreciate the public and business community’s understanding of these mandates in an effort to mitigate the impacts of this virus.

For the latest information on COVID-19, visit coronavirus.alaska.gov
State of Alaska COVID-19 Mandate 003 Printable version of this mandate is available at:

Anchorage: Hunker Down order goes into effect 3/22- 10 PM:
http://www.muni.org/Departments/Mayor/PressReleases/Pages/Hunker-Down-order-goes-into-effect-at-10-p.m.-tonight.aspx

The emergency order includes a list of critical businesses that can continue to operate while implementing social distancing techniques to the maximum extent possible—including switching to curbside or delivery service. The critical business list includes health care operations, grocery stores, convenience stores, maintenance and operations of critical infrastructure, first responders, criminal justice personnel, critical government functions, defense and national security-related operations, food cultivation, social services, journalism, gas stations, banks and other financial institutions, hardware stores, plumbers, electricians, mailing and shipping services, laundromats, educational institutions for the purpose of distance learning, restaurants (for takeout and delivery only), transportation services, hotels, childcare facilities (to serve workers in critical jobs only), and some legal and accounting services. For a full list, refer to the emergency order. These businesses should incorporate remote working whenever possible and adhere to CDC social distancing guidelines including maintaining six feet between people.

ARIZONA

Arizona Department of Public Health: http://www.azdhs.gov/

Arizona Restaurant Association Resources: https://azrestaurant.org/coronavirus/

Arizona Governor: https://azgovernor.gov/

3/31- Today, Governor Ducey announced the deferral of all liquor license fees by 90 days. In yesterday’s update, the ARA reported that liquor license renewals were still due. However, in response to continued industry concern, Governor Ducey issued a press release clarifying that liquor license renewals will be delayed as part of his previous Executive Order.

This deferral is effective immediately, however businesses will still need to apply for a renewal under the 90-day deferral program. We are still waiting on additional information from the Department of Liquor Licenses and Control and once we have that we will send out another update.

Read the press release

Governor Ducey Issues "Stay Home" Order
Today, Governor Ducey issued an Executive Order requiring individuals to limit their time away from home and limiting business activity to essential services. The order establishes the "Stay Home, Stay Healthy, Stay Connected" policy for the State and goes into effect at 5:00PM tomorrow, Tuesday, March 31, 2020 and continues through April 30, 2020.

Restaurant operations are listed as an essential service, and in his address Governor Ducey clarified that "restaurants across the state will continue to offer takeout and delivery services." The Governor further encouraged individuals to "please patronize your local restaurants and be as generous as you can with your tips."

What does this mean for restaurants and restaurant employees? As stated above, restaurants are listed as an essential service and can continue to operate takeout and delivery operations and restaurant employees may continue to report to work as normal. There is NOT a requirement that individuals carry papers or provide any proof that their activities fall under essential services, so there is no need for owner/operators or employees to issue letters or have proof they are traveling to or from work.

The ARA will continue to provide updates as more information becomes available.

Read the Stay Home Executive Order
Read the Essential Services Executive Order
Read the press release

Per the Arizona Restaurant Association on March 23rd:
Governor Ducey’s Executive Order Includes Restaurants as Essential Service
Today, Governor Ducey issued an Executive Order defining what businesses and operations are considered "essential" by the State. The order included restaurants off-premises operations in the list of businesses. This action prohibits counties, cities, and towns from issuing any order that prohibits the performance or function of an essential service. In a press release, Governor Ducey said "Arizona is focused on limiting the spread of COVID-19, while providing relief to families, individuals and businesses impacted. This proactive order will ensure the state has one consistent, overarching policy that is based on CDC and public health guidance — allowing business owners and workers to responsibly plan ahead. We will continue to proceed with a calm and steady approach and act with urgency, while providing certainty whenever possible."

The order defines restaurants off-premises operations as:
- Restaurants and other facilities that prepare and serve food, but only for consumption off-premises through:
  - in-house delivery
  - third-party delivery
  - drive-thru
  - curbside pickup
  - carry out
The order defines a multitude of other services and business as essential including the suppliers that restaurants rely on.

Read the Governor's Executive Order

Previous: The Arizona Department of Public Health strongly recommends that dining establishments in areas of known community spread (including Maricopa, Pima and Pinal counties) discourage dine in traffic and instead provide curbside pickup or drive thru service.

Cancel or postpone gatherings of 10 or more.

COVID-19 Emergency Measure Allowing Restaurants to Sell Alcohol for Off-Premise Consumption Guidance

On Friday, March 20, 2020, the Arizona Department of Liquor Licenses and Control (DLLC) issued rules to implement Governor Ducey's Executive Order 2020-09, which allows restaurants to offer alcohol for sale along with delivery and takeout orders. Today, DLLC issued a guidance document for implementation.

DLLC Guidance:

- Restaurant licensees may temporarily sell alcohol through delivery, pick-up, and curb-side service.
- Restaurant licensees that use pick-up and curb-side to sell alcohol must still only allow individuals 18 or older to sell the alcohol.
- Beverages sold for delivery, pick-up, or curb-side service must be in a "sealed container" - a sealed container is any container of spirituous liquor which:
  - has an unbroken tax seal from the United States, or
  - has a cap, cork, or seal placed there by the manufacture.
- Licensees may sell mixed drinks if they seal the container before removing it from the licensed premises and ensure the seal remains in place until the consumer takes possession.
- Licensees may seal containers by capping and applying a plastic adhesive seal or by corking flush with the top of the bottle.
- Licensees using delivery to sell alcohol must comply with the documentation requirements outlined by DLLC which can be accessed by visiting https://azliquor.gov/forms/inv_recdelivery_access.pdf.

Arizona Restaurant Association Guidance:

Third-party delivery services

Alcohol deliveries should be made by restaurant employees and only made to individuals over the age of 21 with an ID that matches the name on the form of payment. Third-party delivery services
lack crucial safeguards that help protect you from losing your liquor license, liability damages, and reputational damages. There is currently no way for third-party delivery services to perform proper ID checks and verify the ID matches order details nor is there a way for this to be documented as part of the record requirements. Additionally, since orders processed by third-party delivery services are paid to the third-party delivery service and not directly, to the restaurant it would be a violation of Arizona Liquor Law since payment for alcohol must be paid to a licensed establishment. It is for these reasons we strongly advise against offering alcohol for sale through a third-party delivery service at this time until further clarification is offered by the appropriate authorities.

Insurance Considerations

There are two important insurance issues to consider when thinking about offering alcohol for sale with delivery or takeout.

The first, does your liquor liability coverage have an exclusion for alcohol delivery or takeout and is your coverage sufficient for the expanded activity? You are highly encouraged to check with your broker and ask if you are covered at the appropriate level of your new offering.

Second, if you are using employees to perform the delivery of alcohol (which is recommend by the ARA – see above) in their personal vehicles, you should check with your broker to make sure you have the proper coverage for DELIVERY. Your employees will need to have certain minimum limits on their personal coverage, and they should check to see if they are allowed to use their vehicles for business purposes. Ask your broker if the combination of your employee’s personal auto policy and your business auto policy is enough to protect you? **Bottom line check with your broker and describe the activity you will be performing and ensure your policies are able to cover you!**

**Per the Arizona Restaurant Association’s email 3/20: Governor Ducey Announces Restaurant Closures in Counties with Confirmed COVID-19 Cases**- ordered take out and delivery only in the following counties: Cocino, Graham, Maricopa, Navajo, Pinal, Santa Cruz, Yavapai. Any additional counties with COVID cases will be under the same restrictions [https://www.azdhs.gov/index.php](https://www.azdhs.gov/index.php)

Last night Governor Ducey announced that he was taking additional steps to curb the spread of COVID-19. One such step is ordering the restriction of restaurant activities to takeout, drive-thru and delivery options. In a statement the Governor said, “These latest actions are based on the facts and on data, and come after careful consultation with public health experts from every county in Arizona, our hospitals, local elected officials, and private sector partners.”

Provisions of the new order include:
• Beginning at the close of business on Friday, March 20, restaurant operations are restricted to takeout, drive-thru, and delivery options in counties with confirmed cases of COVID-19
• Beginning at 5:00PM on Friday, March 20, allows restaurants to sell alcohol for delivery and takeout
• Allows manufacturers, wholesalers and retailers to buy back unopened products from restaurants, bars and clubs
• Beginning at the close of business on Friday, March 20, closes all bars, theaters and gyms in counties with confirmed cases of COVID-19
• Halts all elective surgeries to free up medical resources
• Activates the AZ National Guard to assist grocery stores and food banks with re-stocking and heightened demand
• Delays expiration dates on Arizona driver licenses for residents over the age of 65

Read the press release

ARKANSAS

Arkansas Department of Public Health: http://www.healthy.arkansas.gov/Pages/default.aspx
Arkansas Hospitality Association Resources: https://www.arhospitality.org/coronavirus-resources.html
Arkansas Governor: https://governor.arkansas.gov/
Little Rock Mayor: https://www.littlerock.gov/city-administration/mayors-office/

Arkansas has banned indoor and enclosed outdoor social gatherings of more than 10 people, with few exceptions, in an effort to slow the spread of the coronavirus.

The directive does not apply to businesses, manufacturers, construction companies, places of worship, the Arkansas General Assembly, municipal or county governing bodies, or the judiciary. Outdoor gatherings in unenclosed areas such as parks are also exempt, although social distancing of at least 6 feet must be observed.

Banned gatherings include: sporting events, concerts, conferences, conventions, fundraisers, parades, fairs, and festivals.

The ban is in effect until further notice.

3/25: The City of Little Rock is under a daily curfew from 12 a.m. to 5 a.m. as a measure to help curb gatherings of people at night spots where coronavirus could be easily spread.
State and federal health officials have repeatedly advised that social distancing is an important step to take towards preventing the spread of this highly contagious virus. In an effort to protect public safety, the City of Little Rock has implemented measures aimed at minimizing exposure.

---

**CALIFORNIA**

California Department of Public Health: [https://www.cdph.ca.gov/](https://www.cdph.ca.gov/)

California Restaurant Association Resources: [https://www.calrest.org/coronavirus-resources](https://www.calrest.org/coronavirus-resources)

California Governor: [https://www.gov.ca.gov/](https://www.gov.ca.gov/)

**STATEWIDE**

On March 31, six Bay Area counties issued new social distancing protocols along with an order extending shelter-in-place until May 3. Here are the counties' recommendations on the best practices for restaurants and cafes, in addition to already established sanitary behaviors, and what diners should expect in order to stay safe.

**Q:** What kind of signage should be made available?

**A:** Each public entrance must have a copy of the official social distancing protocol posted. In addition, the protocols require a sign that tells both customers and staff that they should: “avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one’s elbow; and not shake hands or engage in any unnecessary physical contact.”

**Q:** How can human contact be effectively minimized?

**A:** Avoid having customers and staff touch shared surfaces and tools by eliminating self-service stations with silverware and napkins and disallowing reusable containers. If customers must sign receipts, show them that the pens have been sanitized, and give them a separate container to return used pens. Sanitize everything customers touch after each use: touchscreens, counters and check presenters. **Cash and cards should be handled with care** by people who won’t be touching food or utensils — either with gloves changed between each transaction, or with the liberal use of hand sanitizer. To that end, provide hand sanitizer at the register for customers and cashiers.

**Q:** How should customers be made to follow social distancing?
A: Limit how many people can be in the space, or in front of the space. Estimate how many people can be inside while maintaining 6 feet of distance from each other, then make that number the maximum allowed inside at any given time. Have one dedicated staff member stand at the entrance to implement the policy and remind people to stand 6 feet apart while waiting. Implement environmental social distancing reminders as well, like drawing lines on the sidewalk with chalk or painter's tape to show customers where to stand while waiting.

Q: Is wearing gloves enough to combat the virus?
A: While disposable gloves and hand sanitizer are helpful, they don’t replace hand washing. Staff should change gloves after touching shared utensils, cleaning and any other action that would potentially contaminate a sterile area.

Q: What are the best practices for staffing?
A: Restaurants should rearrange kitchen layouts and menu offerings to force at least 6 feet of space between staff. For instance, having two people on the pasta station working elbow-to-elbow would violate social distancing orders; it would be better to streamline the menu so one person could handle that station alone. That may mean downsizing: Owners and managers should be realistic about what can be produced with a staggered schedule and smaller staff.

Owners and managers should be flexible with sick leave. Don’t ask for a doctor’s note, especially now that health care providers are slammed. Discourage staff from showing up if they are ill, and eliminate financial barriers to staying home. That means paying people who might be exposed to the novel coronavirus to not show up to work for the full two-week quarantine period. While Health Insurance Portability and Accountability Act privacy rules restrict managers from asking staff directly about illnesses, it is to everyone’s benefit that management is generous with sick leave. The protocol does require symptom checks before staff begin work, so it’s essential to have managers be aware of what to check for—fever, fatigue, and dry cough.

The city of San Francisco has promised to reimburse small businesses that have employees in San Francisco with up to $10 million in sick leave during the coronavirus outbreak.

Staff’s individual needs should be taken into account when assigning roles. If someone is a caretaker for a vulnerable loved one, or lives with people who are at higher risk for fatal infections, allow them to set their own comfort levels with tasks that could potentially expose them to the virus.

Post hand-washing signs in all of the public and employee-only restrooms and food prep areas of your business.

Re-useable Containers: It is a voluntary law and not recommended to allow reusable containers at this time.

3/19 - Per the New York Times: Gov. Gavin Newsom of California on Thursday ordered Californians — all 40 million of them — to stay in their houses as much as possible in the coming weeks as the state confronts the escalating coronavirus outbreak. The order represents the most drastic measure any governor has taken to control the virus, and a decision that Gov. Andrew M. Cuomo of New York, which has far more cases than California, has resisted taking.

The order requires all indoor malls, shopping centers, playgrounds and other "non-essential" retail businesses to close. "Essential businesses" include restaurants, grocery stores, pharmacies, food banks, farmers markets, convenience stores, hardware stores and gas stations.
3/19 Per California Restaurant Association: Sunday afternoon Governor Newsom directed restaurants statewide to cut their seating capacity in half and practice "social distancing" between guest parties.

Monday night Governor Newsom moved away from that request and directed restaurants statewide to operate only via take out, delivery, drive thru, and curb side pick-up.

The California Department of Public Health has issued the following resource that indicates:

“Restaurants should be closed for in-restaurant seated dining and should be open only to drive-through or other pick-up/delivery options.”

https://www.cdph.ca.gov/Programs/OPA/Pages/NR20-024.aspx

The California Department of Beverage Control has also issued the following:“For any licensee with on-sale retail privileges, the guidance indicates you should cease exercising those privileges immediately. Further, you should follow the directive from Public Health to cease on-restaurant seated dining.”

San Diego

4/2- San Diego County is requiring employees who regularly interact with the public to wear face coverings, the latest push across California to have people cover their faces as another measure to slow the spread of the coronavirus.

Under the San Diego County order, effective midnight Saturday, all employees who may have contact with the public in any grocery store, pharmacy or drug store, convenience store or gas station shall wear a cloth face covering as described in the California Department of Public Health guidance for face coverings.

COLORADO

Colorado Department of Public Health: http://www.cdphe.state.co.us/

State link to Coronavirus updates: https://www.colorado.gov/pacific/cdphe/2019-novel-coronavirus

Colorado Restaurant Association Resources: https://www.corestaurant.org/resources/coronavirus-resources

Colorado Governor: https://www.colorado.gov/executive-office/office-governor

Per Colorado Restaurant Association:

Statewide Stay at Home Order - Issued March 25, 2020
Governor Polis issued a Stay at Home for the State, effective March 26 at 6 a.m. through April 11. Restaurants and bars providing to-go, delivery, and drive-thru service are defined as critical businesses and are therefore excluded from the order, as are businesses that supply restaurants and bars. See the full order here. Read more here.

**Per Colorado Restaurant Association on 3/25:**

This morning, the Boulder County, Jefferson County, and Tri-County (Adams, Arapahoe, and Douglas Counties) health departments issued a joint Stay at Home Order, effective at 8 a.m. on March 26 through April 17. Restaurants and businesses that supply restaurants are classified as essential services and are exempted from these orders. You can read the details of the Tri-County orders here. Boulder County orders can be found here, and Jefferson County orders can be found here. Please note that the details outlined in each of the orders are the same. Here is what you need to know to comply:

- The order requires individuals anywhere within the Tri-County, Boulder County, and Jefferson County jurisdictions to stay at home unless they are conducting certain essential services/activities.
- If individuals are using shared outdoor spaces they must maintain social distancing of at least six feet from all individuals who they do not live with.
- Individuals experiencing homelessness are exempt but strongly encouraged to find adequate shelter.
- All non-essential businesses are ordered to cease all business activities and close down for the duration of the order.
- All public and private gatherings are prohibited, except those between people that live together.
- All travel to places outside those listed as essential services is prohibited. Individuals may only use public transit to travel to essential businesses and must maintain social distancing to the extent feasible.
- Social distancing requirements include maintaining a distance of at least six feet, washing hands with soap and water for at least twenty seconds as frequently as possible or using hand sanitizer does when hand sinks are not available, covering coughs/sneezes with the sleeve or elbow, regularly cleaning high-touch surfaces, and not shaking hands.
- Any individual found in flagrant or willful violation of the order may be guilty of a Class 1 misdemeanor and subject to a fine up to $5,000 and an 18-month jail sentence.
Essential activities are:

- Any task essential to a person’s health and safety, or the health and safety of a family member they are assisting.
- Obtaining necessary services and supplies such as food, pet supplies, medications, etc.
- Outdoor activities either individually or in groups up to four people that allow for social distancing.
- Performing work at an essential business.
- Caring for a family member or friend in another household.
- Moving from one house to another.

Essential businesses include:

- Anything healthcare-related; hospitals, clinics, pharmacies, nursing homes, etc.
- Grocery stores, which includes stores that sell groceries and also sell other non-groceries related products such as household needs and cleaning supplies
- Restaurants providing delivery, takeout, and drive-thru services
- Veterinary care and animal shelters.
- Utilities, power, water, gas, etc.
- Public works construction and other private construction operations.
- Skilled trades such as electricians and plumbers.
- Airports
- Oil and gas operations
- Transportation needs including public transit and roads and highways
- Gas stations
- Other essential businesses can be found in the order.

Per Colorado Restaurant Association on 3/23: Local Stay at Home Orders - Issued March 23, 2020, and later

We are tracking local Stay at Home orders across the State. In all cases, restaurants, as well as business that supply restaurants, are considered essential and are therefore EXCLUDED from these orders and may continue to operate. Read more here.

3/20: Alcohol To-Go and Delivery Rules Announced

Today, Governor Polis signed an executive order that allows liquor licensees licensed for on premises
consumption to sell alcohol for carry out, and delivery. This order is in effect now and will stay in effect until April 18th. You can read the full order here.

Here is what you need to know:

- Operators must have one of the following licenses: Beer and Wine, Brew Pub, Club Licenses, Distillery Pub, Hotel & Restaurant, Lodging and Entertainment, Tavern, or Vintners Restaurant
- The order applies to all types of beer, wine, and spirits (cocktails and mixed drinks included).
- Beverages must be in a sealed container – according to LED, sealed containers include plastic cups with plastic lids, even if there is a straw hole, as long as there isn’t a straw in it. Restaurants can also refill growlers.
- Sale of food must be on the same receipt or transaction.
- As always, sales to someone under 21 or someone who is visibly intoxicated are prohibited.
- For delivery orders, individuals placing the order must be 21 years of age or over, and must provide their name, date of birth, and delivery address. This information must be verified upon delivery.
- Establishments licensed as a distillery pub or a brewery may only sell what’s made on site. (We believe this was supposed to say “distillery” and are seeking a change.)
- Deliveries may only be made to the address provided at the time of the order.
- Persons making the delivery must be 21 years old or older and an employee of the licensee. (We are working with LED and the Governor’s office to allow third parties to deliver, as most restaurants aren’t set up for delivery.)
- Licensee must retain all records regarding the delivery of alcohol beverages.

3/19 Governor Polis Extends Dine-In Closure Until April 30. Governor Polis issued an amended order yesterday to extend the dine-in closure until April 30, 2020. The order also clarified that hotel restaurants and bars are not exempt from this closure, but can continue to provide room service. This order also explicitly excludes alcohol from being consumed on premise. See the full order here.

Clarification on Gatherings of 10+ and Staffing

The order restricting groups of more than ten from gathering does not include staffing, per the Colorado Department of Public Health and Environment. Your staff can be larger than ten, but you should follow the CDPHE guidelines for restaurants AND restrict customers who have come in for take-out to five or fewer in your space at one time. Customers waiting in line should be six feet apart from one another.
The Public Health Order closes:

- Brew pubs, breweries, microbreweries, distillery pubs, wineries, tasting rooms, special licensees, clubs, public bars, taverns, restaurants, food courts, cafes, coffeehouses, cigar bars, gyms, gymnasiums, theaters, and casinos to slow the spread of the COVID-19 virus
- Movie and performance theaters, opera houses, concert halls, and music halls
- Restaurants, food courts, cafes, and other similar places of public accommodation offering food or beverage for on-premises consumption

These places are encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service.

The restrictions imposed by this order do not apply to any of the following:

- Places of public accommodation that offer food and beverage not for on-premises consumption, including grocery stores, markets, convenience stores, pharmacies, drug stores, and food pantries, room service in hotels, health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities; crisis shelters or similar institutions; food courts inside the secured zones of airports; and any emergency facilities necessary for the response to these events.

**Denver:**

3/31- Denver’s stay-at-home order is expected to be extended through the end of April, Mayor Michael Hancock said on Tuesday.

3/25: Update on Denver Breweries and Stay at Home Orders

Denver has added breweries to its list of essential businesses, which are exempt from the City’s Stay at Home Order. There is a caveat: Establishments licensed as Brew Pubs may sell for off-site consumption. Breweries MAY be able to sell for off-site consumption if they have an “approved for salesroom,” which is a permit from the state. If the brewery does not have this permit, it cannot sell for off-premise use. Wineries may not sell for outside consumption. Read more here.

Previous: The Denver Department of Public Health & Environment’s (DDPHE) public health investigators will visit all Denver food facilities (3000+), prioritizing facilities with onsite food handling and/or onsite consumption, and those with highest likelihood of customer/environmental surface contact (places like...
fast food facilities--think of all the surfaces people can touch while waiting in line, ordering, getting beverages, etc.), as well as those with buffets.

Food trucks will receive this information, although they are lower priority due to the fact there is little touching of surfaces by customers during their transaction.

Visits will involve delivering **signage that is required to be posted** at the facility entrance and in restrooms reminding customers about the importance of washing their hands and not dining out when having symptoms of respiratory illness.

Visits will also provide guidance on restricting ill food handlers and frequently disinfecting high-touch environmental surfaces.

DDPHE will require that this info be posted under 24-16 DRMC. Facilities that fail to comply may be subject to enforcement action under 24-24 DRMC.

If you need any additional 'Wash Your Hands' restaurant posters, you may download print-ready versions provided in the "Download & Share Additional Resources' section of this [page](#).

**3/20/2020-** Governor Issues Stay Safe, Stay at Home Policy - Restaurants Still Viewed As An Essential Industry

Today, Governor Ned Lamont announced the closing of all non-essential businesses in Connecticut through April 22. The "Stay Safe, Stay at Home" Policy is in line with New York's early announcement to help slow the spread of the coronavirus.

The Governor is directing all non-essential businesses and not-for-profit entities in Connecticut to prohibit all in-person functions if they are able to, effective **Monday, March 23, 2020 at 8:00 p.m.** Also, he is encouraging all businesses to employ, to the maximum extent possible, any telecommuting or work-from-home procedures that they can safely implement.

RESTAURANTS ARE VIEWED AS AN ESSENTIAL BUSINESS and can continue to offer take-out, curbside, drive-thru and delivery to residents around the state. In addition, they will be able to provide alcohol for off-premise consumption.
3/16/2020

CONNECTICUT RESTAURANT ASSOCIATION EMAIL TO RESTAURANT COMMUNITY

Governor Ned Lamont announced today in collaboration with New York and New Jersey that all restaurants and bars may no longer serve guests wishing to be seated and dine inside. This order takes effect at 8:00 pm on Monday, March 16, 2020 in reaction to the evolving COVID-19 Coronavirus health crisis. There is no timetable for when this order will end. Update: Until 4/30/2020 at minimum.

Restaurant locations in Connecticut, which total more than 8,500, are allowed to continue providing food to customers via takeout, drive-thru, curbside pickup and delivery.

DISTRICT OF COLUMBIA

District of Columbia Department of Public Health: http://doh.dc.gov/

Restaurant Association of Metropolitan Washington Resources: https://www.ramw.org/blog

Mayor's Office Updates: https://coronavirus.dc.gov/

3/25: Mayor orders all non-essential businesses to close. Provisions related to restaurants:

Restaurants and other facilities that prepare and serve food are included in this category (essential business), but only for delivery, carry out, or “grab and go,” including food trucks and rapid made-to-order meals, but not for sit down consumption;

Schools, senior centers, and other entities that typically provide free food services to students or members of the public may continue to do so under this Order; provided, that the food is distributed to students or members of the public on a pick-up and take-away basis only; and

iii. Facilities that provide food services under this exemption shall neither permit the food to be eaten at the site where it is provided nor shall food be provided in a self-serve manner, such as buffet bar, salad bar, or large pots of soup where people serve themselves;

Previous: 3/20- DC Mayor Muriel Bowser announced this afternoon that restaurants will be closed for on-premise service until April 27th. She is advising people to stay indoors, but has NOT issued a shelter in place mandate. Take-out and delivery service will continue. It is also important to note that restaurants, although modified in operation and services, are considered essential personnel in some jurisdictions that DO have a shelter in place mandate, as they are considered essential food sources.

DC Mayor Muriel Bowser issued guidelines banning on premise dining at restaurants starting at 10pm tonight and through April 1, 2020 at 6am. Restaurants and bars are still able to offer meals to go through take out, delivery or curbside service. Read the Mayor's order here.
The DC Alcoholic Beverage Control (ABC) Board adopted an emergency rulemaking prohibiting the sale of alcoholic beverages for on-premises consumption starting Thursday, March 19th at 4 pm. More details here: https://www.ramw.org/blog/all-premises-alcohol-sales-consumption-suspended-effective-today-4pm.

DELAWARE

Delaware Health Department: https://dhss.delaware.gov/dhss/dph/index.html

Delaware Restaurant Association Resources: http://www.delawarerestaurant.org/covid19/

Delaware Governor: https://governor.delaware.gov/

Effective April 1, 2020 at 8:00 a.m. E.D.T., all state buildings and essential businesses shall display signage developed by the Public Health Authority that cautions individuals experiencing symptoms of COVID-19 not to enter the premises.

Effective April 1, 2020 at 8:00 a.m. E.D.T., state buildings and essential businesses that the Public Health Authority deems high-risk shall screen every employee, visitor and member of the public upon entering. The Public Health Authority shall develop and publicly post the screening tool to be used by high-risk essential businesses.

State of Emergency declaration to provide for the self-quarantine of travelers from areas severely impacted by COVID-19 outside the State of Delaware into the State

On March 22, the Governor issued a Stay at Home order and for non-essential businesses to close at 8:00a.m. on Tuesday, March 24 and will remain in effect until May 15 or until the "public health threat is eliminated."

REFER TO THE LIST OF ESSENTIAL AND NON-ESSENTIAL BUSINESSES.

READ THE FREQUENTLY ASKED QUESTIONS ABOUT THIS CLOSURE.

IF YOU ARE AN ESSENTIAL BUSINESS, BELOW IS GUIDANCE TO KEEP YOUR STAFF AND YOUR COMMUNITY SAFE

The following COVID-19 infection control measures must be enforced for businesses providing essential services to remain open.

- Teleworking must be maximized, especially for individuals at highest risk of poor outcomes, such as those over age 60 and those with chronic underlying conditions.
- Follow all State and CDC guidelines and recommendations for social distancing for staff and customers. Social distancing means remaining out of congregate settings, avoiding mass
gatherings, and maintaining distance (approximately 6 feet or 2 meters) from others when possible (with the exception being healthcare workers using appropriate PPE).

- Screen all staff for symptoms and illness prior to entering worksite.
- Separate sick employees from other individuals immediately.
- Prohibit employees who have been told they must be isolated or quarantined from work until they have been cleared by DPH or a medical professional.
- Have handwashing stations and / or hand sanitizer readily available for all employees throughout the day. Staff should wash hands with warm water and soap when entering and leaving worksite.
- Enforce cough and sneeze hygiene, such as coughing into your elbow.
- Follow all State and CDC guidelines and recommendations for environmental cleaning.
- Prohibit visitors inside worksites unless they are providing essential services.

Employers must stress to employees that they are not to come to work when they are sick. We recognize that is a difficult ask – especially for small businesses – and for employees whose paychecks depend on every hour that they do work. But limiting public interactions of those who are sick is an important mitigation strategy to help limit the spread of COVID-19 in Delaware.

This is a rapidly evolving situation in Delaware, in the U.S., and across the world. Recommendations from the U.S. Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO) are subject to frequent change.

ESSENTIAL SERVICES SCREENING RECOMMENDATIONS FOR COVID-19 PANDEMIC

To help protect the public against the spread of COVID-19, Governor John Carney and Delaware Division of Public Health Director Karyl T. Rattay, MD, MS, strongly recommend that all employers screen employees each day before work. Read the Essential Services Screening Policy, dated March 22, 2020

What Employers Can Urge Employees to Do to Minimize the Spread of Illness

In addition to encouraging Delawareans to get their flu shot, the Division of Public Health recommends these everyday measures to prevent the spread of all germs. This helps limit the spread of COVID-19.

- Cough or sneeze into your elbow, not your hand. If you use a tissue, dispose of it right away.
- Wash your hands frequently and thoroughly with soap and warm water, including the backs of your hands and under your nails. If you do not have access to soap and water, use an alcohol based hand sanitizer (at least 60% alcohol) until you can wash your hands.
- Do not touch your face, eyes or mouth with unwashed hands.
- Clean frequently touched surfaces at work, home or school.
- If you are sick, stay home and avoid interactions with people who are well.
- If you have an underlying chronic medical condition, consult with a health care provider about further steps you can take to protect yourself and others.

Previous:

- Bans public gatherings of 50 people or more
- Restaurant, taverns and bars are permitted for food take out and delivery orders only. The license of all on-premise licensees that serve or sell alcohol is suspended. On-Premise Licensees may only provide food and non-alcoholic beverage service through take-out, drive through and off premises delivery.
- As of 8:00 p.m. March 18th through the cancellation of the State of Emergency. Allowance to any restaurant, brewpub, tavern or taproom with a valid on-premise license to sell alcoholic beverages as a part of transactions for take-out food or drive through food service. Alcohol sales cannot exceed 40 percent of the total sales transaction. All other rules and regulations regarding the take-out of alcoholic beverages apply, containers must be securely closed. On-site consumption of alcoholic beverages is prohibited.
- No indoor or outdoor dining for food or any type of beverage service

3/20 - Today, Governor Ron DeSantis issued Executive Order 20-71, directing all restaurants and food establishments within the State of Florida to suspend on-premises food and alcohol consumption for customers. The listed establishments may, however, operate their kitchens for the purpose of providing delivery or take-out services.

This Executive Order lifts the restriction that prohibits a specially licensed food service establishment from selling package sales of alcohol for delivery, take-out or consumption off-premises for restaurants complying with Executive Order 20-68, through the expiration of the state of emergency declared in Executive Order 20-52. Alcohol sales to go with food that is pick-up or delivered will be permitted and I.D. will be required for orders including alcohol.

Additionally, the Executive Order requires the closures of gymnasiums and fitness centers within the State of Florida. The Department of Business and Professional Regulation (DBPR) shall utilize its authorities under Florida law to further implement and enforce the provisions of this Executive Order and shall take additional measures as necessary to protect the public health, safety and welfare.

GEORGIA

Georgia Department of Public Health: http://dph.georgia.gov/

Georgia Restaurant Association Resources: https://www.garestaurants.org/news/covid19

Georgia Office of the Governor: https://gov.georgia.gov/
4/3 - Governor Brian Kemp issued a shelter in place order for the state of Georgia. The order will be effective beginning Friday, April 3rd, at 6:00 PM and expire Monday, April 13th, at 11:59 PM.

- Shelter In Place Executive Order
  [https://files.constantcontact.com/4fd4b323401/5369f701-e662-4aef-95df-ae82a8fa5e65.pdf](https://files.constantcontact.com/4fd4b323401/5369f701-e662-4aef-95df-ae82a8fa5e65.pdf)

Governor Brian Kemp Executive Order - Statewide ban on in-person dining. Restaurants may continue to offer delivery, curbside pick-up, & to-go orders. This is effective 6:00 p.m. April 3, 2020 until 11:59 p.m. April 13, 2020.

- Dine-in services at restaurants & private social clubs must cease in-person operations or close to the public.
- Restaurants are considered "critical infrastructure" and can still offer take-out, curbside pick-up, and delivery services.
- Dine-in services at hospitals, healthcare facilities, nursing homes, or other long-term care facilities are allowed.
- View the executive order HERE.

**BLAKELY**

4/2 – Governor Brian Kemp will sign a state wide shelter-in-place order sometime Thursday. The order will go into effect at midnight and last until at least April 13.

City of Blakely website: [http://cityofblakely.net/](http://cityofblakely.net/)

3/26 - Mayor Travis Wimbush has issued a shelter-in-place directive for the city of Blakely, effective March 24th and will remain in place until rescinded by the Mayor.

**CARROLTON** - City of Carrolton website: [https://carrolltonga.com/](https://carrolltonga.com/)

4/1 - Shelter In Place/COVID-19 FAQS for Restaurants

**Can restaurants be open?**
Restaurants can be open for drive-through, pick up or delivery. No dine-in services are permitted. While working, employees must maintain social distancing protocols and sanitation measures.

**Can people wait for their pick up order inside?**
No, you can offer curbside or drive-through.

**Can restaurants sell alcohol to-go?**
Restaurants are allowed to sell unopened containers of beer, wine, and distilled spirits for take-out consumption off-premises.
3/26 - The shelter in place order is in effect from March 25th until April 12th and is subject to extension.

3/24 - Georgia Governor Brian Kemp announced an executive order closing the state’s bars and nightclubs and requiring Georgia’s most medically fragile residents to stay home.

- The order, which will take effect noon Tuesday, bans all gatherings of more than 10 people, unless a six-foot distance can be maintained between individuals. The order is set to expire at noon April 6th.
- Kemp also ordered the Department of Public Health to oversee a shelter-in-place order for those most at risk for adverse complications from COVID-19. Those groups include people in long-term care facilities, those receiving cancer treatments, those who have chronic lung disease and those who have or may have a positive COVID-19 test.

To slow the spread of coronavirus disease (COVID-19) and reduce the number of people infected, DPH recommends that organizers of events that draw more than 50 people cancel, postpone or modify these events or offer online streaming services until further notice. Follow CDC Guidance for Mass Gatherings and Other Community Events.

These events include large gatherings where people are in close contact (less than 6 feet), such as concerts, conferences, sporting events, faith-based events, and other large gatherings.

COVID-19 Administrative and Executive Orders:

- Stay at Home Order – effective March 24th at midnight - Executive Order Number 2020-21
- Restaurants, Bars and other Public Gatherings - Executive Order Number 2020-08
- Public Gathering Limit - Executive Order Number 2020-07

Keep Track of How the Coronavirus Is Impacting Atlanta’s Food Scene (Eater Atlanta)

Atlanta Restaurants Closing Temporarily or Operating at Reduced Capacity (Eater Atlanta)
Atlanta Restaurants Temporarily Offering Curbside Pick-Up and Delivery *(Eater Atlanta)*

Atlanta restaurants now allowed to sell alcohol on-the-go

All restaurants in the City of Atlanta are operating under a to-go only policy after Atlanta Mayor Keisha Lance Bottoms signed an executive order on Thursday closing all restaurant dining rooms. After news of the order broke, the restaurant community reached out her on Twitter to advocate for the ability to also sell alcohol, a big revenue driver for the industry.

Now, restaurants with licenses are going to temporarily be able to allow alcoholic beverages to leave the premises. The order mention wine and/or malt beverages but not liquor. The exemption will only last through the emergency declaration she previously signed in response to the COVID-19 pandemic and will not exceed 60 days.

ATHENS

Athens-Clarke County website: [https://www.athensclarkecounty.com/](https://www.athensclarkecounty.com/)

3/25 - Athens-Clarke County is currently under a local emergency declaration in order to help slow the spread of coronavirus in the community until April 7, 2020.

- Residents are required to shelter-in-place 24/7 aside from essential activities, essential governmental functions, or to operate essential businesses (as defined in the ordinance).
- Social distancing is required to the maximum extent possible when outdoors or using shared spaces, which includes maintaining a six-foot distance from others.

Final Approved Ordinance:

BROOKHAVEN

Brookhaven website: [https://www.brookhavenga.gov/](https://www.brookhavenga.gov/)

3/27 - The Brookhaven City Council extended and clarified the emergency declaration and suspension of dine-in service for all Brookhaven restaurants and alcohol-serving establishments until April 15.

Updated State of Emergency Resolution:

3/25 - All Brookhaven residents are instructed and directed to remain at home unless engaged in essential services, performing essential government services, or to operate essential businesses.

The City of Brookhaven has compiled information as it pertains to public health guidelines from the Governor’s Office, Board of Health, and Centers for Disease Control and Prevention, and government response.  www.BrookhavenGA.gov/COVID19.

Brookhaven Mayor John Ernst called a Special Called Meeting of the City Council for the purpose of an emergency declaration and suspending dine-in service for all Brookhaven restaurants and alcohol-serving establishments.

- While restaurant dine-in and counter services are suspended until March 30, delivery and takeout services are still allowed by establishments which are properly permitted and offer those services. In addition to food and beverage sales, any venue that provides on-premises entertainment is also suspended, whether or not food or beverages are sold.

For updated City information and resources, visit www.BrookhavenGA.gov/covid19

COLUMBUS- Columbus GA website:  https://www.columbusga.gov/

3/25 - Mayor B.H. “Skip” Henderson III has issued the attached Declaration of Local Emergency. This order follows the Center for Disease Control’s latest guidance that people should not gather in groups of ten (10) or more with certain exceptions such as grocery stores, pharmacies, and medical facilities. It provides for the closing of public restaurants except for take-out service, the closing of bars, gymnasiums and other indoor recreational facilities, and body care salons of all types. Additional restrictions are imposed on other retail establishments depending on their square footage and ability to provide social distancing. These restrictions shall extend until April 3, 2020.

Columbus restaurants offer home delivery, to-go orders to limit coronavirus spread  (Ledger-Inquirer)

DEKALB- Dekalb County Updates:  https://www.dekalbcountyga.gov/

3/30 - Dekalb CEO Thurmond issues Stay-at-Home executive order, effective March 28th and may be amended as necessary in order to adapt to the ever-changing health and economic situation in DeKalb County.

Executive Order No. 20-002 https://www.dekalbcountyga.gov/sites/default/files/users/user715/Stay%20at%20Home%20Order%20FINAL.pdf
3/25 - In the interest of public health and safety, the executive order outlines, among other restrictions, the following:

- All public gatherings of 10 or more people are prohibited.
- All individuals are asked to shelter in place as much as possible and participate in a voluntary curfew beginning at 9 p.m. and ending at 6 a.m., excepting trips to and from work, for medical treatment, food, medication or emergency.
- There shall be no dine-in service at any restaurant, brewery or bar. Establishments may provide take-out service. Any establishment licensed for on-premises consumption of alcoholic beverages may sell unopened beverages curbside or to take-out customers.

DeKalb CEO Thurmond Issues State of Emergency Executive Order

Information about Social Distancing:

MACON - Macon-Bibb county website: https://www.maconbibb.us/

3/30 - Emergency Administrative Order (effective until April 6th)

3/25 - All non-essential businesses will be closed according to an emergency declaration made by Macon-Bibb mayor Robert Reichert. This runs through April 6th unless extended by a subsequent order.

Here’s what else is included in the emergency declaration:

- Bars shall be closed.
- Restaurants shall close to the public except to provide takeout, delivery, drive-thru or curbside service.
- All other retail will be permitted to stay open as long as steps are taken to ensure customers and employees are not within 6 feet of each other and that employees do not work if they are showing symptoms or living with someone with is.

Macon Updates: Downtown Macon restaurants offering curbside pick-up (The Telegraph)

SAVANNAH - Savannah Updates: https://www.savannahga.gov/

- All bars and nightclubs are closed.
- Restaurants and other food establishments where food is served must reduce seating capacity by 50% for dine-in services.
- Restaurants and other food establishments may continue preparing and offering food and drinks to customers via delivery service, drive-through or take-out.

**Shelter At Home Order:** [https://www.savannahga.gov/DocumentCenter/View/18659/Shelter-At-home-Order?bidId=](https://www.savannahga.gov/DocumentCenter/View/18659/Shelter-At-home-Order?bidId=)

**Savannah restaurants go curbside during COVID-19 pandemic** (Savannah Now)

Savannah Mayor Van Johnson has issued a shelter in home order for everyone living in the city limits to help combat the coronavirus outbreak. The order goes into effect at 11:59 p.m. Tuesday and is expected to end April 8, unless changes need to be made.

Illinois Governor: https://www2.illinois.gov/sites/gov/Pages/default.aspx

3/31- per Illinois Restaurant Association: Governor Pritzker has announced he will extend the state of Illinois’ stay at home order until April 30, bringing Illinois in line with the federal government's latest recommendations.

The Governor has said he intends to sign an extension of the stay-at-home order today, while also extending his statewide disaster declaration. Click here to read the press release.

3/23- From the Illinois Restaurant Association:

Essential Employee Template Letter - Share with Your Teams

As the state of Illinois has designated restaurants as Essential Businesses during the COVID-19 crisis, foodservice workers may need documentation to identify themselves as essential employees to authorities when traveling to or from work. Click here to download a template essential employee letter that can be used for your restaurant.

IDPH Foodservice FAQs- The Illinois Department of Public Health (IDPH) has issued interim guidance to provide information on COVID-19 prevention in various food service operations and address the Governor’s Office mandate. The guidance addresses questions about monitoring employees, buffet operations, food courts, and more. Click here to read through the FAQs.

Off-Premise Best Practices- Click here for tips on how to optimize menu changes, packaging, communication methods, workstation setups, payment options, and more for off-premise business.

3/20 - Stay at home order statewide in effect at 5 PM 3/21, restaurants can continue takeout and delivery: https://www2.illinois.gov/Documents/ExecOrders/2020/ExecutiveOrder-2020-10.pdf

Update March 16 - State of Illinois Executive Order: "To-Go", Carry Out, Take Out Permitted

Governor Pritzker has issued an official Executive Order that mandates the closure of on premise dining in Illinois restaurants. Due to the advocacy of the IRA, the Executive Order clarifies that “to-go”, carry out, and take out will be permitted at Illinois restaurants.
Click here to read the text of the Executive Order. Read the paragraph related to restaurants below:

"Beginning March 16, 2020 at 9:00 p.m. through March 30, 2020, all businesses in the State of Illinois that offer food or beverages for on-premises consumption—including restaurants, bars, grocery stores, and food halls—must suspend service for and may not permit on-premises consumption. Such businesses are permitted and encouraged to serve food and beverages so that they may be consumed off-premises, as currently permitted by law, through means such as in-house delivery, third-party delivery, drive-through, and curbside pick-up. In addition, customers may enter the premises to purchase food or beverages for carry-out. However, establishments offering food or beverages for carryout, including food trucks, must ensure that they have an environment where patrons maintain adequate social distancing. Businesses located in airports, hospitals, and dining halls in colleges and universities are exempt from the requirements of this Executive Order. Hotel restaurants may continue to provide room service and carryout. Catering services may continue."

Additional operational guidelines are expected from the state of Illinois soon. We will share this information as soon as it is available.

CHICAGO

City of Chicago Issues Guidance for Restaurants and Bars

Potential COVID-19 Exposure in the Workplace

The Chicago Department of Public Health (CDPH) has issued updated COVID-19 guidance for businesses and employers.

Included in the guidance are measures to be taken if a staff member, contractor, or a client tests positive for COVID-19 and exposed others in the workplace. Click here to read more.

3/16- Following Governor Pritzker's Executive Order, the city of Chicago has issued additional guidance for restaurants and bars. Effective tonight, and lasting through March 30th, all restaurants and bars must cease their regular operations and follow updated guidelines:

- The consumption of food or beverage is not permitted inside a restaurant or bar
- Congregation of any kind is not permitted inside or outside a restaurant or bar
- Drive-thru, delivery and carry out or curbside pick-up can continue, with the restaurant owner responsible to ensure social distancing policies are in place and followed.
- Click here to read the notice and FAQs from the Department of Business Affairs and Consumer Protection (BACP).

Indiana Governor: [https://www.in.gov/gov/](https://www.in.gov/gov/)

On Monday, 3/23- Gov. Eric J. Holcomb told Hoosiers to stay at home starting March 25 until at least April 7. **Executive orders**

- The order, issued during a Monday news conference, asks all Hoosiers to refrain from anything outside of essential travel. The order is not a complete lockdown and still allows residents to leave their homes for work, medical care, buying groceries and other activities essential to the health and safety of people and pets. Essential businesses will remain open and are defined by the state as businesses that include but are not limited to grocery stores, pharmacies, gas stations, police stations, fire stations, hospitals, doctor’s offices, health care facilities, garbage pickup, public transit and public service hotlines.

Governor Holcomb order all bars, nightclubs and restaurants in the state of Indiana to close all in-person services. Closures have been extended until April 6, 2020.

- Restaurants can provide take-out, drive thru and delivery services.
- Non-essential in-person meetings will be limited to 50 persons or less

Iowa Governor: https://governor.iowa.gov/

4/2 Governor Kim Reynolds has extended the closure of business and the ban on gatherings of more than 10 people until April 30.

3/27 - Effective Thursday March 26th at 10:00 p.m. all existing closures will be extended until at least April 7th. The continued closures include dine-in restaurants and bars. Drive-through, carry-out and delivery services are still permitted.

3/17- Governor Kim Reynolds has issued a State of Public Health Disaster Emergency. All Iowa restaurants and bars must suspend on premise service as of 11:59 a.m. today. Carry out and delivery will be allowed.

Mass Gathering: Social, community, spiritual, religious, recreational, leisure, and sporting gatherings and events of more than 10 people are hereby prohibited at all locations and venues.

KANSAS

Kansas Department of Health and Environment: https://govstatus.egov.com/coronavirus

Kansas Restaurant & Hospitality Association: https://www.krha.org/page/COVID19

Kansas Governor: https://governor.kansas.gov/

On Saturday March 28, Governor Kelly announced a statewide “Stay at Home order” in an effort to slow the spread of the new coronavirus. Order is effective Monday, March 30, 2020 through April 19, 2020. Under the stay-at-home order, people can still leave their homes to get food, medicine or other household necessities; receive medical care; take care of other household members in another location; and to exercise. As previously executed by Kelly gatherings larger than 10 people is still prohibited. This executive order supersedes any previous orders made in different counties across the state. County-level stay at home orders can continue to be in place after the statewide order expires.
New Stay at Home orders include counties: Sedgwick and Atchinson county effective 12:01 am Wednesday March 25, Doniphan and Shawnee county effective 12:01 a.m. Thursday March 26, 2020

Leavenworth county Stay at Home order effective Tuesday March 24, 2020 through April 23, 2020. The Order directs all residents to remain in their home except to conduct Essential Activity.

The entire state of Kansas has been authorized to close all dine-in restaurant, bars, and theaters for 15 days as of March 16th.

- Restaurants may still offer food deliveries, pick up for carry-outs and drive-thru services
- Alcohol licensee may make curbside sales to customers with all existing provisions of the Kansas Liquor Control Act, for the duration of this policy only:
  - Drinking establishments and class A clubs, class B clubs may sell bottles of beer or wine curbside, in accordance with the provisions of K.S.A. 41-2653. For the duration of this policy only, beer or wine sold in this fashion needs to be opened on the licensed premises and properly sealed, but does not need to be partially consumed on the licensed premises.
  - To accommodate these curbside sales, the licensee shall designate specific “to-go” parking stalls or similar locations, which must all be located within a 50-foot radius of the entrance to their licensed premises.
  - Sales of any kind (i.e. payment or delivery of alcoholic liquor) occurring outside of this 50-foot radius are strictly prohibited.
- Ban on public gatherings of more than 10 people. (Exceptions are of governmental/judicial functions, healthcare facilities, private business operations religions and faith-based activities, weddings and funerals)
- Mass gatherings are suggested to either cancel or postpone in person events that consist of 50 people or more.

Per the executive order by Governor Kelly, restaurants, bars and retail food establishments (grocery stores, convenience stores) are required to:

- Preserve social distancing of 6 feet between tables, booths, bar stools and ordering counters.
- Cease self-service of unpackaged food, such as in salad bars or buffets.

All mass gatherings are hereby prohibited. [https://governor.ky.gov/attachments/20200319_Order_Mass-Gatherings.pdf](https://governor.ky.gov/attachments/20200319_Order_Mass-Gatherings.pdf)

**LOUISIANA**

**Louisiana health department:** [http://ldh.la.gov/Coronavirus/](http://ldh.la.gov/Coronavirus/)

**Louisiana Restaurant Association:** [https://www.lra.org/](https://www.lra.org/)

**Louisiana Governor:** [https://gov.louisiana.gov/](https://gov.louisiana.gov/)

On March 22, 2020, Governor John Bel Edwards issued a *stay at home order* for Louisiana residents. All individuals within the state are under a general stay at home order and are directed to stay at home unless they are performing an essential activity. This includes obtaining food, medicine, and other similar goods necessary for the individual or a family member of the individual. This order is valid through April 13, 2020. [https://gov.louisiana.gov/assets/Proclamations/2020/JBE-33-2020.pdf](https://gov.louisiana.gov/assets/Proclamations/2020/JBE-33-2020.pdf)

Previous: Governor Edwards announced, effective statewide as of midnight March 16, 2020 through April 13th statewide or until further notice:
- Size of gatherings to fewer than 50 people
- Closing of casinos, bars and movie theaters
- Restaurants may only permit to have food delivered take-outs and drive through orders. No on premise dining allowed
- The quick-service or fast-casual establishments can only offer "drive-thru" service but can be extended to 24 hours if they so choose.
- Operators will post notice to patrons that when they depart to please consider returning home.
- Operators will encourage no public gatherings in any area.
- Tour groups will be limited to groups of no more than seven (7) at a time.

On March 16, 2020 The Louisiana Office of Alcohol and Tobacco Control drafted new rules for to-go alcohol sales. On a temporary basis, ATC will allow restaurant permit holders to sell or offer for sale pre-packaged beer and/or wine through drive through or curbside pickup. Any restaurant intending to offer delivery of food with beer or wine by their own employees may submit to the ATC an application for alcohol delivery.

**New Orleans:**
In addition to the statewide restrictions:
- Dine-in services prohibited, food delivery, takeout and drive-thru services are permitted
- Bars, movie theaters, casinos and event venues closed
- All non-essential gatherings prohibited
- Grocery stores, banks, gas stations and pharmacies, alongside other necessary businesses such as healthcare offices, will be allowed to remain open, but NOPD officers will work to prevent loitering at those businesses.
• NOPD Superintendent Shaun Ferguson said the NOPD would be enforcing the closures, threatening that any business that did not comply would be referred to the city's permits division.
• Both public and private gatherings are asked to be cancelled, but if impossible should be no larger than 50 people in size

MASSACHUSETTS

Massachusetts Governor: [https://www.mass.gov/orgs/office-of-the-governor](https://www.mass.gov/orgs/office-of-the-governor)

Effective 4/1 at noon all Non-essential business closure and stay at home order expansion until at least May 4.

• Any restaurant, bar or establishment that offers food or drink shall not permit on premise consumption of food or drink, provided that such establishment may continue to offer food for take-out and by delivery provided that they offer the social distancing protocols set forth by the Department of Public Health guidance. This will remain in effect until April 5th, 2020
• Gathering of more than 25 people is prohibited
• City of Boston, Grocery stores or pharmacies won’t be affected by the rules

Effective 3/24: Although the Governor hasn’t issued a statewide “Stay at Home” order for everyone. He has strongly advised that residents whose age is 70 years old or older and for those who have underlying health conditions to stay at home. With the exception of leaving the home for essential needs or activities. It is also advised that those who are not providing essential services to stay home as well. Public Health Advisory

On March 23, 2020 Governor Charlie Baker issued an emergency order requiring all businesses and organizations that do not provide “COVID-19 Essential Services” to close their physical workplaces and facilities to workers, customers and the public as of Tuesday, March 24th at noon until Tuesday, April 7th at noon. Restaurants, bars, and other establishments that sell food and beverage products to the public are encouraged to continue to offer food for take-out and by delivery if they follow the social distancing protocols set forth in Department of Public Health guidance. On-premises consumption of food or drink is prohibited. Click here to read the order.
MAINE

State of Maine Department of Health and Human Services: https://www.maine.gov/dhhs/

All restaurants and bars are mandated to close beginning the evening of Wednesday March 18 revised through April 8, 2020 for all dine-in customers.

Bars and restaurants permitted to sale beer and wine in the original manufactures sealed containers. Beverages will not include spirits products.

Beverages sold must be accompanied by a food order. The Food requirement is based upon the type of liquor license issued by the Bureau. Consumption on premises is prohibited

MARYLAND

Maryland Public Health Department: https://health.maryland.gov/pages/home.aspx

Restaurant Association of Maryland: https://www.marylandrestaurants.com/

Maryland Governor: https://governor.maryland.gov/
OUT-OF-STATE TRAVEL. No Marylander should be traveling outside of the state unless such travel is absolutely necessary. Those who have traveled outside of the state should self-quarantine for 14 days.

3/30 Governor Larry Hogan issued a “Stay at Home” order. The order takes effect at 8:00 p.m. tonight and states that no Maryland resident should leave their home unless it is for an essential job or for an essential reason, such as obtaining food or medicine, seeking urgent medical attention, or for other necessary purposes. Governor's Stay at Home Order

Restaurants may continue selling food and drink on a carry-out or drive-through basis; however, because residents of Maryland are not permitted to leave their homes to purchase products from nonessential businesses, curbside pickup at nonessential businesses is no longer permitted.

Per Restaurant Association of Maryland: March 23, 2020: 11:15am
Governor Hogan just announced the closure of all non-essential businesses. RESTAURANTS ARE ESSENTIAL BUSINESSES AND ARE PERMITTED TO STAY OPEN! Maryland citizens have been ordered to stay home and avoid crowds; however, people are permitted to travel to restaurants for carryout and drive-thru services.

Previous: Gov. Larry Hogan announced throughout the state of Maryland the closure of all bars, dine-in restaurants, effective at 5 p.m. Monday March 16th. Food take-outs, drive thru, delivery and curbside pickup are still permitted until further notice. No more than 50 people gathered in one place at any time is allowed until further notice.

MICHIGAN

Michigan Health Department: https://www.michigan.gov/coronavirus

Michigan Restaurant Association Resources: https://www.mrla.org/coronavirus.html

Michigan Governor: https://www.michigan.gov/whitmer/

On March 23, 2020, Governor Gretchen Whitmer issued an executive order requiring all Michigan residents and most businesses to stay in their homes to slow the spread of coronavirus COVID-19. Executive Order 2020-21 prohibits all businesses and operations from requiring workers to leave their homes unless those workers are necessary to sustain or protect life or to conduct minimum basic operations. Businesses must determine which of their workers are necessary to conduct minimum basic operations. Restaurants will still be allowed to provide take-out options. Whitmer previously ordered the temporary suspension of all dine-in services. This order takes effect on March 24, 2020 at 12:01 am, and continues through April 13, 2020 at 11:59 pm.
Previous: Governor Gretchen Whitmer announced, beginning no later than March 16, 2020 at 3:00 pm, and continuing until March 30, 2020 at 11:59 pm, the following places of public accommodation are closed:

- Restaurants, food courts, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption;
- Bars, taverns, brew pubs, breweries, microbreweries, distilleries, wineries, tasting rooms, special licensees, clubs, and other places of public accommodation offering alcoholic beverages for on-premises consumption; (c) Hookah bars, cigar bars, and vaping lounges offering their products for on-premises consumption;
- Casinos licensed by the Michigan Gaming Control Board, racetracks licensed by the Michigan Gaming Control Board, and Millionaire Parties licensed by the Michigan Gaming Control Board; and Places of public amusement not otherwise listed above. Places of public accommodation subject to this section are encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service, and to use precautions in doing so to mitigate the potential transmission of COVID-19, including social distancing.
- In offering food or beverage, a place of public accommodation subject to this section may permit up to five members of the public at one time in the place of public accommodation for the purpose of picking up their food or beverage orders, so long as those individuals are at least six feet apart from one another while on premises.

Missouri Restaurant Association: https://www.morestaurants.org/

Missouri Governor: https://governor.mo.gov/

3/26: City of Springfield’s Mayor Ken McClure, Ray County and Green County’s Presiding Commissioner Bob Dixon announced a “Stay at Home” order effective 12:01 a.m. March 26, 2020 until at least April 24, 2020. Order consist of only leaving home for essential activities. Springfield - Greene County Order, and Ray County Order

3/25: Stephanie Browning, Director of Columbia/Boone County Public Health and Human Services, signed a “Stay at Home” order for the County of Boone. Order consist of only leaving the home for essential activities. Effective March 25th through April 24, 2020 Boone County Order

3/23: Director Warren Robinson announced that Jefferson County has adopted the Stay at Home Order effective 12:01 a.m. March 24, 2020 through 11:59 p.m. April 23, 2020. Within this order, residents will still be able to perform essential task for the health and safety of their household. Food delivery, carry-outs and drive-thru are still allowed. Stay at Home Order

3/21: St. Louis Stay at Home order is in effect from 6:00 p.m. on March 23, 2020 through 6:00 p.m. on April 22, 2020 or until it is extended, rescinded, superseded or amended in writing by Fredrick Echols, M.D, Director of Health & Hospitals/Health Commissioner. Stay at Home order

In accordance with the guidelines from the President and the Centers of Disease Control and Prevention, every person in the State of Missouri shall avoid social gatherings of more than ten (10) people.

For purposes of this Order, “social gatherings” shall mean any planned or spontaneous event or convening that would bring together more than ten (10) people in a single space at the same time.

2. In accordance with the guidelines from the President and the Centers of Disease Control and Prevention, every person in the State of Missouri shall avoid eating or drinking at restaurants, bars, or food courts; provided, however, that the use of drive-thru, pickup, or delivery options is allowed throughout the duration of this Order.

Last Updated: 4/3/2020 PM Edition – ServSafe Compliance
This Order does not prohibit people from visiting a variety of places, including grocery stores, gas stations, parks, and banks, so long as necessary precautions are taken and maintained to reduce the transmission of COVID-19, including maintaining at least six feet (6') of distance between all individuals that are not family members.

For offices and workplaces that remain open, individuals shall practice good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this Order will expire.

The Order will take effect beginning 12:01 A.M. Monday, March 23, 2020 and remain in effect until 12:01 A.M. Monday, April 6, 2020 unless extended by further order of the Director of the Department of Health and Senior Services with said extensions not to exceed the duration of the effective period of Executive Order 20-02 (May 15, 2020).

As of 3/23 the following counties/cities under stay at home orders: Cass, Douglas, Clay, Platte, Kansas City, St. Louis city and county, Jackson.

MISSISSIPPI

Mississippi State Department of Health: https://msdh.ms.gov/msdhsite/_static/14.0.420.html

Mississippi Hospitality Restaurant Association: http://www.msra.org/

Mississippi Governor: https://www.ms.gov/node/218

4/1 Governor Tate Reeves issued a statewide “Shelter in Place” order to go into effective 5:00 p.m Friday April 3 through 8:00 a.m. Monday April 20th Unless modified or extended. Executive order Order states that individuals shall remain in their homes unless leaving to attend essential activities. When out they shall maintain the social distancing of a minimum of 6 ft each other and groups should not contain more than 10 people.

3/24 Governor Tate Reeves issued an executive statewide order restricting dine-in service operations, and restaurants may only offer food service to drive-thru, carryout and delivery. The restriction is effective until April 17

The city’s curfew will be in place from 11 p.m. until 5 a.m. for at least 14 days beginning Monday. People will not be allowed in public streets or places unless they are traveling to or from work.

First responders and law enforcement are exempt from the curfew.

The mayor also ordered social distancing throughout the city, meaning people should stay at least six feet away from others "to the extent possible."
During the emergency, funeral services are recommended to be held on the property of a funeral home or in the City of Vicksburg Auditorium. Services should be held at 11 a.m. or 2 p.m. with 50 people or fewer, the mayor said.

Other places of public gathering should limit gatherings to 10 people or fewer.

The mayor ordered that bars, nightclubs, lounges and taverns close, except to provide takeout, pickup and delivery food. These businesses are not allowed to have more than 10 employees and 10 customers indoors at any time and must be closed from 11 p.m. to 5 a.m.

Liquor stores can only provide curbside delivery and have no more than 10 employees inside at one time.

Under the order, barbershops, beauty shops and nail salons cannot have more than 10 employees and 10 customers inside at one time. They must also close by 6 p.m.

Anyone who violates the order faces a misdemeanor charge and a fine up to $1,000.

City of Jackson and the City of Natchez have imposed a dine-in restriction, take-out and delivery only. City of Hattiesburg has limited gatherings of 50. Nothing statewide at this time.

**MONTANA**

Montana Restaurant Association: [https://mora.memberclicks.net/restaurant](https://mora.memberclicks.net/restaurant)

State of Montana Governor’s Office: [https://governor.mt.gov/](https://governor.mt.gov/)

March 26, 2020: Governor Steve Bullock issued a directive requiring Montanans to stay home and temporarily closes all nonessential businesses and operations to curtail the spread of COVID-19. The order goes into effect at 12:01am on March 28, 2020.

March 24, 2020: Governor Steve Bullock issued a directive extending closures and updating social distancing requirements and guidance. Non-essential social and recreational gatherings of individuals outside of a home or place of residence of greater than 10 people are prohibited immediately, if a distance of 6 feet between individuals cannot be maintained.

- Effective March 28, 2020 through April 10, 2020, the following places are to remain closed to ingress, egress, use, and occupancy by members of the public: restaurants, food courts, cafes, coffeehouses, and other similar establishments offering food or beverage for on-premises consumption, alcoholic beverage service businesses, including bars, taverns, brew pubs,
breweries, microbreweries, distilleries, wineries, tasting rooms, special licensees, clubs, and other establishments offering alcoholic beverages for on-premises consumption.

- These places are permitted and encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service, and to use precautions in doing so to mitigate the potential transmission of COVID-19.

NEBRASKA

State of Nebraska Department of Health and Human Services: http://dhhs.ne.gov/Pages/default.aspx

State of Nebraska Restaurant Association: https://www.nebraska-dining.org/

State of Nebraska Governor’s Office: https://governor.nebraska.gov/

April 1, 2020: Governor Pete Ricketts announced that the state’s eighth COVID-19 related Directed Health Measure (DHM) includes Antelope, Arthur, Boyd, Brown, Cherry, Holt, Hooker, Keya Paha, Knox, Lincoln, Logan, McPherson, Pierce, Rock, and Thomas counties. This DHM will be in effect until May 11, 2020 unless renewed. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

March 31, 2020: Governor Pete Ricketts announced that the state’s sixth and seventh COVID-19 related Directed Health Measure (DHM) includes Adams, Buffalo, Clay, Dawson, Franklin, Gosper, Harlan, Kearney, Nuckolls, Phelps, and Webster counties. This DHM will be in effect until May 11, 2020 unless renewed. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

March 30, 2020: Governor Pete Ricketts held a press conference to announce that the State of Nebraska has extended statewide social distancing restrictions through April 30, 2020. Earlier in March, the State of Nebraska issued social distancing restrictions for the entire state. The previously announced restrictions, which have now been extended, can be found by clicking here.

March 30, 2020: Governor Pete Ricketts announced that the state’s fifth COVID-19 related Directed Health Measure (DHM) includes Banner, Box Butte, Cheyenne, Dawes, Deuel, Garden, Grant, Kimball, Morrill, Scotts Bluff, Sheridan, and Sioux counties. This DHM will be in effect until May 11, 2020 unless renewed. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM
requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

March 29, 2020: Governor Pete Ricketts announced that the state’s fourth COVID-19 related Directed Health Measure (DHM) includes Burt, Cuming, Madison, and Stanton counties. This DHM will be in effect until May 6, 2020 unless renewed. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

March 28, 2020: Governor Pete Ricketts announced that the state’s third COVID-19 related Directed Health Measure (DHM) includes Butler, Hall, Hamilton, Merrick, Polk, Seward, and York counties. This DHM will be in effect until May 6, 2020 unless renewed. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

March 25, 2020: Governor Pete Ricketts announced that the state’s second COVID-19 related Directed Health Measure (DHM) includes Lancaster, Dodge, and Saunders counties, which will be in effect until May 6, 2020 unless renewed. Washington County will also now be under a DHM until May 6, 2020. The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice.

Restaurants and bars must limit to 10 people and are strongly encouraged to move to drive-thru/takeout only through the end of March. These establishments should practice social distancing – seating customers apart from one another – whenever possible. The situation will continue to be monitored and restaurants should watch closely for updates.

March 19, 2020: Governor Pete Ricketts announced a Directed Health Measure for the counties of Cass, Douglas, Sarpy, and Washington. The DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service until further notice.

March 19, 2020: Executive Order 20-06. Restaurants and bars across the state will continue to serve Nebraskans by altering their customary operations in order to provide takeout, delivery, curbside and drive-thru service operations. Restaurants and bars temporarily have the ability to sell alcohol along with food take-out or delivery orders. Stores and restaurants can utilize drive-thru windows or curb-side to go pick-up procedures for the sale of alcohol.
LINCOLN

The Lincoln-Lancaster County Health Department updated its guidance for public gatherings and events to limit the spread of the coronavirus and the disease it causes, COVID-19. LLCHD is not making decisions regarding cancelling or postponing events. However, the health department is now recommending that the size of events and public gatherings be limited to no more than 50 people.

OMAHA

The diagnosis of the second case of COVID-19 by community spread in Douglas County prompted new actions on Wednesday, March 18, 2020, including the immediate order to close Omaha bars and restaurants until April 30, 2020. Takeout, drive-through windows, and delivery will still be allowed.

NEVADA

Nevada Department of Health and Human Services:  http://dhhs.nv.gov/

Nevada Restaurant Association Coronavirus Information: https://www.nvrestaurants.com/coronavirus.html

State of Nevada Governor’s Office:  http://gov.nv.gov/

April 1, 2020: Governor Stephen Sisolak issued a stay at home directive, an order that moves the statewide social distancing initiative forward in an official capacity. The order extends closures for nonessential businesses, schools and gaming facilities through April 30, 2020. Individuals may leave their residences to perform work necessary or obtain services or goods necessary from other essential licensed businesses.

Governor Stephen Sisolak announced that restaurants/bars can stay open providing they limit to 50 percent capacity and follow social distancing.

March 20, 2020: Food establishments open to the Nevada general public shall only serve customers through a take-out, drive-through, curbside pickup, or delivery capacity. Onsite dining was ordered to cease effective at 11:59 pm on March 20, 2020.  Click here to read the order.

Reno

As a follow up to the City of Reno’s emergency declaration, Reno Mayor Hillary Schieve is ordering temporary mandatory closures of bars, nightclubs, gyms and restaurants (except takeout/delivery/drive through and pick up services) in the city until April 5, 2020 unless extended. Schieve made the announcement during a press conference held at Reno City Hall. Those businesses should begin the process of winding down operations starting with the goal of closing by Friday, March 20, 2020 at 5 p.m.

March 26, 2020: Governor Sununu released Emergency Order 17, mandating the closure of all non-essential businesses and requiring Granite Staters to stay at home. All businesses and other organizations that do not provide essential services shall close their physical workplaces and facilities to workers, customers, and the public and cease all in person operations as of 11:59pm on March 27, 2020 and shall not re-open to workers, customers, or the public or resume in person operations before 12:01am on May 4, 2020.  Click here for Exhibit A to Emergency Order 17 (Designated “Essential Services”).

Governor Sununu announced on March 16, 2020 that all restaurants and bars in New Hampshire will be required to serve patrons by takeout, delivery and drive-thru methods only.  This ban will remain in place until April 7, 2020.  Click here to read the official press release.

Takeout and Delivery Food Safety Guidelines:  

On March 18, 2020, Governor Sununu signed Executive Order 6 allowing all restaurants, diners, bars, saloons, private clubs, or any other establishment that have both a restaurant license and an on premise license from the New Hampshire Liquor Commission to temporarily allow takeout or delivery of beer or wine.  This order shall remain in effect until Monday, April 6, 2020.

NEW JERSEY

JERSEY CITY: City of Jersey City Executive Order on Curfew:
[324x327]https://www.jerseycitynj.gov/news/curfew_on_liquor_establishments_to_control_crowds
Effective immediately, Mayor Steven M. Fulop is implementing a precautionary 10pm curfew for all Jersey City establishments carrying a liquor license in an effort to reduce large uncontrolled crowd turnout as a preventative measure to reduce exposing the public to the pandemic COVID-19. Further measures outlined in the Executive Order include a requirement for all establishments with allowable public capacity greater than 25 people – such as restaurants, places of worship, and special event venues – to maintain a record of all individuals entering the establishment through a sign-in sheet with information to be used solely for the purpose of preventing the spread of COVID-19 by providing means of notification of potential exposure, if necessary.

Paterson
Mayor Andre Sayegh declared a state of emergency in the city of Paterson. Mandatory closures/limitations will go into effect as of 6pm on March 16, 2020. Restaurants may remain open for takeout, delivery, and drive-through services only; no sit-down services may be rendered.

NEW MEXICO

The public health order issued March 19, 2020 by Department of Health Secretary Kathy Kunkel temporarily strengthens earlier orders to include additional mandatory closures and guidelines to limit the spread of COVID-19 disease. The order enacts restrictions on bars and restaurants, among other businesses. All restaurants, bars, breweries, eateries, and other food service establishments are limited to providing take-out service and home delivery only.

On March 23, 2020, New Mexico Department of Health Secretary Kathy Kunkel announced a new public health emergency order effective 8am Tuesday, March 24, 2020, closing all businesses and nonprofit entities except for those deemed essential, and further restricting mass gatherings due to the COVID-19
pandemic. Restaurants are deemed essential but only for delivery and carryout. Local breweries and distilleries are deemed essential but only for carryout.

**NEW YORK**

New York State Department of Health: [https://www.health.ny.gov/](https://www.health.ny.gov/)

New York City Mayor’s Office: [https://www1.nyc.gov/office-of-the-mayor/](https://www1.nyc.gov/office-of-the-mayor/)

March 29, 2020: Governor Cuomo signed Executive Order 202.13 extending “NY State on Pause”. Any worker who is employed by the state of New York, shall, if deemed non-essential by their agency shall work from home or shall be able to stay home without charging their accruals until April 16, 2020.

March 20, 2020: Effective at 8pm on March 22, 2020, every New Yorker must stay at home from work, unless they are an essential worker. Exemptions from the order will include shipping, media, warehousing, grocery and food production, pharmacies, health care providers, utilities, banks and related financial institutions.

All non-essential businesses that are normally open to the public must remain closed. Bars and restaurants may provide takeout.

Also, all non-essential gatherings of any size for any reason are banned. Click here for the text of Executive Order 202.8.

- Starting at 8pm on March 16, 2020, the State is mandating that restaurants move to delivery and take-out only.
- New York greenlighted the sale of alcohol for takeout and delivery sales
  - Food must be part of wine or liquor order
  - Beer hard cider sold separately
- Allowing return of liquor stockpiled for events such as St. Patrick’s Day:
  - New York State Liquor Authority (SLA), for items purchased since March 1 (potentially to extend to all purchases, regardless of date)

March 19, 2020: Governor Andrew M. Cuomo today signed an executive order mandating businesses that rely on in-office personnel to decrease their in-office workforce by 75 percent. This follows the Governor’s directive yesterday that all businesses implement work-from-home policies.
The provisions of Executive Order 202.6 requiring in-person work environment restrictions are modified as follows: Effective March 21, 2020 at 8 p.m. and until further notice all businesses and not-for-profit entities in the state shall utilize, to the maximum extent possible, any telecommuting or work from home procedures that they can safely utilize. Each employer shall reduce the in-person workforce at any work locations by 75% no later than March 21 at 8 p.m. Any essential business or entity providing essential services or functions shall not be subject to the in-person restrictions.

Restaurants have been deemed essential and can remain operating for takeout and delivery only. This Executive Order is valid through April 18, 2020.

NEW YORK CITY

Effective March 17, 2020, all restaurants in New York City will have to operate as delivery and take-out only. No restaurants will be allowed to have in-house dining available to customers. Click here to read the official press release from the office of the mayor.

NORTH CAROLINA

North Carolina Department of Health and Human Services: https://www.ncdhhs.gov/

North Carolina Restaurant & Lodging Association Coronavirus information: https://www.ncrla.org/coronavirus/

State of North Carolina Governor’s Office: https://governor.nc.gov/

March 27, 2020: Governor Roy Cooper issues Executive Order 121, a statewide Stay at Home Order beginning Monday, March 30, 2020 at 5pm until April 29, 2020. The Executive Order directs people to stay at home except to visit essential businesses, to exercise outdoors or to help a family member. Specifically, the order bans gatherings of more than 10 people and directs everyone to physically stay at least 6 feet apart from others. Restaurants and other facilities that prepare and serve food, but only for consumption off premises, through such means as in-house delivery, third-party delivery, drive-through, curbside pick-up, and carry-out are deemed to be essential businesses.

- Effective March 17, 2020 at 5pm, Governor Cooper issued Executive Order 118, limiting operations of restaurants and bars and broadening unemployment insurance benefits in response to COVID-19. The State Health Director is exercising quarantine and isolation authority to limit access to facilities that sell food and beverage to carry-out, drive-through, in-room dining and
delivery services only. Outdoor food and beverage service is allowed if patrons practice social distancing of at least 6 feet.

- CDC has also discouraged events of more than 50 people for the next 8 weeks so restaurants and hotels should take that into account.

NORTH DAKOTA

North Dakota Department of Health:  [https://www.health.nd.gov/](https://www.health.nd.gov/)

State of North Dakota Governor’s Office:  [https://www.governor.nd.gov/](https://www.governor.nd.gov/)

On March 19, 2020, Governor Doug Burgum issued an executive order closing restaurants, bars, breweries, cafes, and similar on-site dining establishments to on-sale and on-site patrons. The order took effect at 12pm on Friday, March 20, 2020 and continues through Monday, April 6, 2020. Take-out, curbside, drive-through, delivery, and off-sale services are still encouraged during this period.

Recommendations for the hospitality industry:

- Provide alcohol-based hand sanitizer stations throughout the operation.
- Increase cleaning and disinfecting frequency for high-touch surfaces.
- Closely monitor employee health. Reinforce personal hygiene and cough etiquette. Encourage symptomatic employees to stay home.
- Have employees disinfect all personal hard surfaces referenced on the product label.
- Educate and inform all employees of infection status and proper infection control procedures.
- Consider implementing social distancing in your dining room; since guest counts may be down, remove tables and provide increased distance between guests.
- Consider marketing to customers that you are implementing this practice.
- Increase hand-washing requirements for all employees entering the kitchen and food preparation areas.

FARGO

March 23, 2020:  The Fargo City Commission has approved the curbside, to-go sale and delivery of alcohol within Fargo city limits for a period of 30 days beginning Monday, March 23, 2020. Proof of age
and open container laws are not affected by the temporary policy change and businesses will remain held to a high standard of conduct pertaining responsible service.

4/2- Governor issues amended Stay At Home Order. Restaurants remain as essential businesses. Read thoroughly there are several new provisions businesses need to be in compliance with to remain open: [https://coronavirus.ohio.gov/static/publicorders/Directors-Stay-At-Home-Order-Amended-04-02-20.pdf](https://coronavirus.ohio.gov/static/publicorders/Directors-Stay-At-Home-Order-Amended-04-02-20.pdf)

**Per the Ohio Restaurant Association: 3/22- Report from Governor DeWine’s News Conference Today:**

Gov. DeWine Announced the Ohio Department of Health Director’s ‘Stay at Home’ Order

For the restaurant industry, the most critical information is the new Order that says All Persons Stay at Home Unless Engaged in Essential Work or Activity.

**In the Order (which is posted on the ORA website) under item #12, Essential Business and Operations includes:**

- **Restaurants for consumption off-premises.** (see Section 12 (o) of the Stay at Home Order)
- **Restaurants and other facilities that prepare and serve food, but only for consumption off-premises, through such means as in-house delivery, 3rd-party delivery, drive-through, curbside pick-up and carryout.**
- **Supplies and support necessary for Essential Businesses is referenced in Section 12 (q) and (v) of the Order**

The state is raising the level of the fight against the Coronavirus pandemic to an official order that will restrict public movements.

Gov. DeWine said the order signed by Department of Health Director Dr. Amy Acton would go into effect at 11:59 p.m. Monday, March 23rd, and is in effect thru April 6th (at which time it will be reassessed). It will require citizens to remain in their homes with certain exceptions.

- Those permitted exceptions include “essential activities” involving health and safety, gathering necessary supplies and services, outdoor activities except for closed playgrounds, certain types of work deemed essential, or to take care of others, he said. (see Section 5 of the Order)
The governor's order also lists essential businesses that will be allowed to stay open (see Section 12 of the Order) and provides guidelines for their operations. Gov. DeWine said those will include mandated protocols to protect the public health, such as social distancing of at least 6 feet, washing hands, the availability of sanitizing and cleansing supplies for customers and workers, and more (see Section 15 of the Order). "These are just basic, common-sense things that we have already covered", he said.

The order, however, comes with the heft of enforcement, which the governor said will be pursued by local health departments and local law enforcement (see Section 17 of the Order).

The state's actions follow those by California, Illinois and New York, which have issued what some officials have characterized as "shelter in place." "It's pretty much the same thing," Gov. DeWine said. The state's order heavily follows US Department of Homeland Security guidance related to essential personnel - READ MORE.

Lt. Gov. Husted announced a specific page on the state’s coronavirus resources page dedicated to business resources and relief – READ MORE.

Gov. DeWine also announced restrictions on daycares that will become effective Thursday. As of that day, all daycare centers must operate under a temporary pandemic license that will limit services to six children per room and teacher, he said. Guidelines for daycares will also include "rigorous cleaning" schedules and recommendation for no common space, he said. Daycares are directed to keep children and parents of the same employer together, and limit interactions at drop-offs and pick-ups.

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, call your health care provider for medical advice. Go to Coronavirus.Ohio.Gov and the Department of Health hotline, 1-833-4-ASK-ODH, with questions.

Previous: Effective 9:00pm on 3/15/2020, all sit-down style food service facilities, including bars, will be Ordered Closed.

If you have the capacity to operate via carryout or delivery, you may continue to do so. There is no timetable for when this order will end.

Take the following steps to ensure food safety during carryout and delivery:

- Keep all hot food items at or above 135°F
- Keep all cold food items at or below 41°F
- Keep each customer’s orders separate

Safe Practices for Employees:

- Keep adequate separation distance from consumers. The CDC recommends six feet of separation distance.
- Ask consumers to make on-line payments to avoid person-to-person contact.
- Stay at home if you’re sick
- Separate yourself from others in your home
- Wash your hands for at least 20 seconds, often
- Sneeze into a tissue or your sleeve to prevent germs
- Avoid touching eyes, nose and mouth
- Clean and disinfect frequently touched objects and surfaces

Facilities who violate this Order will be subject to an immediate suspension of their food license.

If you have food that can be safely donated, please do so. Attached you will find some guidelines for safe food donation.

Information and valuable resources:
- Coronavirus Information from the Ohio Department of Health
- Unemployment Insurance and Benefits
- High-Proof Liquor Buyback or call 1-877-812-0013
- Economic Injury Disaster Loan Program

If you have questions regarding COVID-19, we’re urging you to call the Ohio Department of Health's COVID-19 Hotline at 1-833-4-ASK-ODH (1-833-427-5634).

Allowing return of liquor stockpiled for events such as St. Patrick’s Day: Extended offer to caterers, etc. that had temp. permits for events scheduled March 13-April 6.

OKLAHOMA

Oklahoma State Department of Health:  https://www.ok.gov/health/

Oklahoma Restaurant Association Coronavirus Information:  https://www.okrestaurants.com/coronavirus_information_and_re.php

State of Oklahoma Governor’s Office:  https://www.governor.ok.gov/

April 1, 2020:  Governor Kevin Stitt held a press conference to provide an update on the State’s response to COVID-19 and announced he has issued Seventh Amended Executive Order (EO) 2020-07. Seventh Amended EO 2020-07 extends all of the provisions in Executive Order 2020-07 to April 30, 2020 and applies to all 77 counties in Oklahoma.

The amended Executive Order provides for the following statewide measures:

- Closes all businesses not identified as being within a critical infrastructure sector, such as gyms, salons, massage parlors and movie theaters, where counties have community spread effective through April 30.
• Requires restaurants in all 77 counties to provide take-out and delivery options only and closes all bars through April 30.
• Postpones all elective surgeries, minor medical procedures and non-emergency dental procedures until April 30.
• Issues a statewide “Safer at Home” order for adults over the age of 65 and vulnerable individuals with serious underlying medical conditions until April 30.
• Prohibits visitations to nursing homes and long-term care facilities through April 30.
• Limits gatherings to no more than 10 people through April 30.

March 24, 2020: Governor Kevin Stitt held a press conference to provide an update on the State’s COVID-19 response and announce amendments to Executive Order 2020-07. Gatherings are limited to no more than 10 people. Restaurants in Oklahoma counties with confirmed COVID-19 cases are required to provide take-out and delivery options only and bars in those counties are closed.

March 23, 2020: The Oklahoma ABLE Commission issued a revised Emergency Order allowing mixed beverage, caterer/mixed beverage, and on-premise beer and wine licensees whose primary purpose is that of a restaurant, qualifying as a “Type-2” establishment wherein persons under 21 are allowed to enter, may sell closed original packages of beer and wine only when ancillary to an in conjunction with food sales, and when such sales are completed in a curbside pick-up or drive through manner only. Deliveries of alcoholic beverages to consumers shall remain prohibited. This order will expire on April 17, 2020 unless amended or revoked on a prior date.

Recommendations for the Industry

• Provide alcohol-based hand sanitizer stations throughout the operation.
• Increase cleaning and disinfecting frequency for high-touch surfaces.
• Closely monitor employee health. Reinforce personal hygiene and cough etiquette. Encourage symptomatic employees to stay home.
• Have employees disinfect all personal hard surfaces referenced on the product label.
• Educate and inform all employees of infection status and proper infection control procedures.
• Consider implement social distancing in your dining room; since guest counts may be down, remove tables and provide increased distance between guests.
• Consider marketing to customers that you are implementing this practice.
• Increase hand-washing requirements for all employees entering the kitchen and food preparation areas.
LAWTON

All bars, taverns, clubs, restaurants, and coffee shops – with the exception of take-out or delivery services by restaurants and coffee shops – shall be closed until the expiration of the emergency proclamation. https://www.lawtonok.gov/news/covid-19-information-preparedness

NORMAN

Restaurant dining rooms shall be closed to the public, although pick-up and delivery options are encouraged. http://www.normanok.gov/sites/default/files/WebFM/Norman/Mayor%20and%20City%20Council/2020-03-16%20Emergency%20Proclamation.pdf

OKLAHOMA CITY

Oklahoma City Mayor David Holt announced Tuesday March 17, 2020 he will modify the proclamation of a state of emergency to order all bars, gyms and theaters to close, and restaurants to serve only take-out or delivery food, until April 12. https://www.okc.gov/Home/Components/News/News/3293/5296

- All bars and similar venues without on-premises food (hookah barks, cigar bars, vaping lounges) and shopping mall food courts must close from 5 p.m. today (March 17) through April 12.
- All bars and similar venues with on-premises food, breweries, restaurants and coffee shops may serve only take-out or delivery food, or pre-packaged alcohol authorized for sale under state law, from 12:01 a.m. March 18 through April 12. They must otherwise remain closed to everyone but employees.

STILLWATER

Beginning at 8 a.m. tomorrow, March 18, 2020 the City of Stillwater is ordering the closure of many public venues and restricting restaurants to take out or delivery options within Stillwater city limits. These additional restrictions are to prevent the spread of the virus within the Stillwater community. These restrictions will remain in effect until Sunday, April 5—but may be extended.

Restaurant dining rooms are ordered to close to the public until April 5, although pickup and delivery service may remain open and is encouraged. http://stillwater.org/news/view/id/531

TULSA

Effective immediately, Mayor Bynum issued an executive order to close all Tulsa bars. At midnight, the Mayor has directed the closure of all commercial establishments and places of public accommodation, including restaurants, food courts and large entertainment venues. The executive order applies to places like taverns, breweries, hookah bars, fitness centers, spas, amusement parks, etc. The executive
order DOES NOT apply to places of public accommodation that offer food and beverage not for on-premises consumption, including grocery stores, markets, convenience stores, pharmacies, drug stores, and food pantries, other than those portions of the place of public accommodation subject to the requirements of section. https://www.cityoftulsa.org/press-room/coronavirus-covid-19-update-in-tulsa-march-17/

OREGON

Oregon Restaurant & Lodging Association Coronavirus Information: https://www.oregonrla.org/blog/covid19

On March 23, 2020, Governor Kate Brown issued Executive Order 20-12, directing everyone in Oregon to stay home to the maximum extent possible and adding to the list of businesses that will temporarily be closed to stem the spread of COVID-19 in Oregon. This order is effective immediately and remains in effect until ended by the Governor. Restaurants, bars, taverns, brew pubs, wine bars, cafes, food courts, coffee shops, or other establishments that offer food or drink are prohibiting on-premises consumption but are allowing take-out or delivery service.

On March 16, 2020, Governor Kate Brown announced new measures to flatten the curve of coronavirus transmission in Oregon. The new orders on social distancing measures are effective March 17, 2020 for at least four weeks, and they include:

- A statewide cancelation of all events and gatherings larger than 25 people — exempting essential locations like workplaces, grocery stores, pharmacies, and retail stores. It is additionally recommended that Oregonians avoid gatherings of 10 people or more.

- Restaurants, bars, and other establishments may not offer food or beverages for on-site consumption; they are restricted to carry out and delivery only.

- Food service at health care facilities, workplaces, and other essential facilities will continue.

- All other businesses are urged to assess their practices, implement strong social distancing measures, and close their doors temporarily if they cannot put the new guidance in place.
April 3, 2020: During a COVID-19 press briefing today Governor Tom Wolf recommended that all Pennsylvanians wear a mask any time they leave their homes for life-sustaining reasons. As COVID-19 cases steadily rise in the state, Gov. Wolf stressed the need to intensify all measures to help stop the spread of the virus.

April 1, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine announced all 67 Pennsylvania counties will be under stay-at-home orders effective at 8pm on April 1, 2020. The statewide stay-at-home order will continue until April 30, 2020. All Pennsylvania schools will remain closed until further notice and non-life-sustaining business closures remain in effect. All essential state services will continue.

March 31, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised the Stay at Home Order to include Cameron, Crawford, Forest, Franklin, Lawrence, Lebanon and Somerset counties. The amended order went into effect at 8pm on March 31, 2020 and will continue until April 30, 2020. All individuals residing in these counties are ordered to stay at home except as needed to access, support, or provide life sustaining business, emergency or government services.

March 30, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised the Stay at Home Order to include Carbon, Cumberland, Dauphin and Schuylkill counties. The amended order went into effect at 8pm on March 30, 2020 and will continue until April 30, 2020. All stay-at-home orders are now extended through April 30, 2020. All individuals residing in these counties are ordered to stay at home except as needed to access, support, or provide life sustaining business, emergency or government services.

March 28, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised the Stay at Home Order to include Beaver, Centre and Washington counties. The amended order went into effect at 8pm on March 28, 2020 and will continue until April 6, 2020. All individuals residing in these counties are ordered to stay at home except as needed to access, support, or provide life sustaining business, emergency or government services.

March 27, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised the Stay at Home Order to include Berks, Butler, Lackawanna, Lancaster, Luzerne, Pike, Wayne, Westmoreland and York counties. The amended order went into effect at 8pm on March 27, 2020 and will continue until April
6, 2020. All individuals residing in these counties are ordered to stay at home except as needed to access, support, or provide life sustaining business, emergency or government services.

March 25, 2020: Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised the Stay at Home Order to include Lehigh and Northampton counties. The amended order went into effect at 8pm on March 25, 2020 and will continue until April 6, 2020. All individuals residing in these counties are ordered to stay at home except as needed to access, support, or provide life sustaining business, emergency or government services.

March 23, 2020: The following counties are under a Stay at Home Order: Allegheny County, Bucks County, Chester County, Delaware County, Monroe County, Montgomery County, and Philadelphia County. The order is effective at 8pm on March 23, 2020 and will continue until April 6, 2020. All individuals in counties subject to this policy must STAY AT HOME except for certain essential activities and work to provide life-sustaining business and government services. See Governor Wolf’s order and the Secretary of Health’s order.

March 19, 2020: Governor Tom Wolf ordered all non-life sustaining businesses in Pennsylvania to close their physical locations as of 8pm. Life sustaining businesses may remain open, but they must follow, at a minimum, the social distancing practices and other mitigation measures defined by the Center for Disease Control to protect workers and patrons. Businesses that offer carry-out, delivery and drive-through food and beverage service may continue, so long as social distancing and other mitigation measures are employed to protect workers and patrons.

This order is effective immediately and will remain in effect until further notice.

On March 16, 2020, Governor Tom Wolf has ordered that all restaurants and bars close their dine-in facilities to help stop the spread of COVID-19. Businesses that offer carryout, delivery, and drive-through food and beverage service may continue to do so, but eating and drinking inside restaurants and bars is temporarily prohibited. These businesses that offer carryout, delivery, and drive-through food and beverage should employ social distancing best practices and be aware of the Trump Administration’s guidance to avoid gatherings of 10 or more people. https://www.governor.pa.gov/newsroom/wolf-administration-updates-businesses-on-guidance-for-covid-19-mitigation-efforts/

PHILADELPHIA

City officials announced new restrictions on commercial activity, and a halt to all non-essential City government operations, in order to reduce the spread of the COVID-19 novel coronavirus in Philadelphia. Food establishments may only accommodate online and phone orders for delivery and pick-up, and cannot allow dine-in service for the duration of these restrictions. Changes are effective as of 5pm on March 16, 2020 through at least March 27, 2020. A precise end date has yet to be determined.
PITTSBURGH

City of Pittsburgh Coronavirus updates:  https://pittsburghpa.gov/mayor/covid-updates

On March 15, 2020, the city of Pittsburgh prohibited all public gatherings of 50 or more people to help stop the spread of the COVID-19 virus. On Friday March 13, 2020, the city announced all events of 250 people or more would be prohibited starting at 9am the following day. That ban was extended to require the cancellation of all gatherings of 50 or more people in the city. The Alleghany County Health Department has additionally called for a voluntary 14-day closure of all non-essential businesses in the County, starting March 16, 2020.

PUERTO RICO

Puerto Rico Governor:  https://www.fortaleza.pr.gov/

March 31, 2020:  Updates from the Puerto Rico Restaurant Association (ASORE):

- The Department of the Treasury issued two circular letters regarding aid provided to employers:

- The Labor Development Program of Puerto Rico reported its willingness to help displaced or temporarily unemployed employees of the restaurant industry.  https://asorepr.com/en-la-disposicion-de-ayudar-a-la-industria-de-restaurantes/

Puerto Rico Restaurant Association (ASORE, in Spanish)

- Development of a webinar for the purpose of guiding and informing on the laws applicable to the restaurant industry, specifically the scope in Puerto Rico of the Families First Coronavirus
Response Act, licenses and benefits of industry employees and the recent executive and administrative orders promulgated by the government.

- As part of the “Restaurants open, ready to take your order” campaign, a video was promoted on social media to support restaurants and motivate consumers to order their prepared food. www.youtube.com/watch?v=c1IPGvgVfig

An opinion column was published by the president of ASORE in one of the most important newspapers in the country highlighting the prevention and hygiene measures being taken in the country's restaurants. https://www.elnuevodia.com/opinion/columnas/restauranteslistosparatomartuordendemanera-segura-columna-2557410/

March 30, 2020: The Governor of Puerto Rico, Wanda Vázquez Garced announced the signing of a new Executive Order 2020-029 that establishes the extension of the period of “lock down” and curfew until April 12, 2020 and includes details of who can transit and the shops that may partially open during that period. Food establishments will continue to operate with drive-through, delivery and carryout services. Executive Order 2020-029 establishes the curfew hours from 7:00pm to 5:00am starting March 31, 2020.

On March 16, the Governor of Puerto Rico, Wanda Vázquez Garced, implemented Executive Order 2020-023 setting a commercial lockdown, with a few exceptions, in an attempt to reduce the spread of the coronavirus (COVID-19). Click here to access the Executive Order: https://www.fortaleza.pr.gov/content/orden-ejecutiva-gobernadora-wanda-v-zquez-garced-implementa-medidas-adicionales-para

The Executive Order allow restaurants to operate limited to drive-thru, delivery and carry out within 5:00 am to 9:00 pm.

There are no restrictions on food and beverages that can be sold during these hours

On March 20, the Department of the Treasury announced an exemption period from the Sales Tax on prepared foods. Click here to access the Administrative Order 20-08,: http://www.hacienda.gobierno.pr/publicaciones/determinacion-administrativa-num-20-08-da-20-08

The order allows for a temporary exemption on prepared foods from the Sales Tax from 12:01 a.m. Friday, March 20, 2020 until 11:59 p.m. Sunday, April 19, 2020.

The exemption does not apply to the sale of alcoholic beverages. It only applies to prepared foods, carbonated drinks and pastry products.

The Governor of Puerto Rico also announced a package of economic measures to address the COVID 19 crisis. This package includes the following for the commercial sector:

- $ 1,500 incentive for small and medium businesses with 50 or fewer employees who do not qualify for federal aid
- Extension of the filing date until July 15, 2020
- Extension of the filing date until July 15, 2020
• Elimination of Sales Tax collection at the docks and in the resale chain for a period of three months
• Postponement, without penalties, with the biweekly payment of the Sales Tax for a period of two months.
• Postponement, without penalties, with the payment of the first installments of the estimated tax
• Non-collection of 10% withholding tax for a period of three months for independent contractors.
• For details click here: https://www.fortaleza.pr.gov/content/mensaje-de-la-gobernadora-sobre-medidas-econ-micas-ante-la-threat-of-covid19

The Department of the Treasury announced a series of measures to address the cash flow of taxpayers and merchants in the face of the emergency situation caused by COVID-19. To read the Administrative Determination, click here: http://www.hacienda.gobierno.pr/publicaciones/determinacion-administrativa-num-20-10-da-20-10

The order explains the requirements and processes that will be carried out to alleviate the commercial sector, according to the announcement made by the Governor.

FEMA announced the federal aid available through the Disaster Assistance programs. To download document, click here: file:///C:/Users/17874/Downloads/FLR-Disaster%20Assistance_508C%2003242020.pdf

Puerto Rico Restaurant Association (ASORE, in Spanish)

• We opposed Bills 1538 of the Senate and 2428 of the House of Representatives, on grounds of the substantial negative impact to the business and employers.
• We sent a letter to the Governor requesting the urgent approval of subsidies and extensions that would help, not only businesses that cannot open their doors but to those that, although partially operating, are suffering a significant economic losses as a result of the COVID-19 emergency.
• On Friday, March 20, after a meeting in the Governor’s mansion, another letter was sent to the governor presenting specific requests and necessary actions.
• To better understand the economic status of the industry, we conducted an electronic survey (a) asking an estimate of loss in sales; (b) if they were currently operating; and (c) if they expected to continue operations in a limited way. The preliminary results were:
  o Almost 80% of those surveyed revealed that they estimated their sales losses in about 75% or more.
  o Even so, due to their commitment to their employees and customers, 50% expected to continue operating during this period of crisis. We are planning on repeating this survey in the near future for updating purposes.

We have made ourselves available to the government, through the Puerto Rico Business Emergency Center to serve as liaison, support, tactical advice and communication in both ways of our industry.

We have kept our communication channels open (social networks, e-blasts, website) to report on actions with the government, resources and information to our members.
A social media campaign: "Open restaurants, ready to take your order" was created with the intention to support restaurants that, despite being open, are economically affected by the implemented restrictions. Similarly, we carry the message that our industry is highly regulated, so food handling is done by taking all possible precautionary measures.

We added to our website, "ASORE Updates" to place all the information related to this event for the benefit and accessibility of our partners. **Click here to enter the website:** https://asorepr.com/category/updates/

**RHODE ISLAND**

Rhode Island Department of Public Health: http://www.health.ri.gov/

Rhode Island Restaurant Association Coronavirus Information: https://www.rihospitality.org/CoronaVirus-Recent-Updates

Rhode Island Office of the Governor:  http://www.governor.ri.gov/

4/2 - **Travelers:** Starting immediately, any person coming to Rhode Island by any mode of transportation after visiting another state for a non-work-related purpose must self-quarantine for 14 days.

All non-critical retail businesses were to close as of March 30, 2020 and the Department of Business Regulation is providing a list of critical and non-critical retail businesses.

Guidance on Critical Retail Businesses: https://dbr.ri.gov/documents/DBRCriticalRetailBusinessesList_04022020.pdf

3/30 - Through April 13th, there will be no on-site food consumption for restaurants, bars, coffee shops, or other food establishments in Rhode Island. (Establishments with a food license can continue to conduct pick-up, drive-thru and delivery only.)

Starting immediately, all gatherings of more than 5 people are banned. Individuals should be interacting with the same people every day to minimize the risk of spread. This order does not apply to healthcare workers in a workplace setting, public transportation or office buildings. However, people must practice social distancing at all times.

The Governor has issued a stay-at-home order until April 13. This means that all Rhode Islanders should stay home unless getting food, medicine, gas, or going to work.

Food Safety Guide for Take-out and Delivery:

Restaurants offering take-out, curb-side or delivery service by city:

PROVIDENCE

City of Providence website: http://www.providenceri.gov/

3/31 - Mayor Jorge O. Elorza signed an Executive Order that extends all current restrictions and guidelines issued by the City through April 17th.

These restrictions and guidelines include:

- No gatherings of more than ten (10) persons within the boundaries of the city.
- No on-premises food or drink consumption for restaurants, bars, coffee shops, or other food establishments within the boundaries of the city. Establishments with a food license may continue to conduct pick-up, drive-thru, and delivery only.
- The Providence Place Mall shall remain closed.
- Closure of non-essential establishments including but not limited to: Fitness Centers, Health Clubs, Health Spas, Gyms, Aquatic Centers, Yoga Studios, Martial Arts Studios, Hair Salons, Barber Shops, Massage Parlors, Spas, Body Works Establishments, Beauty Salons (Including tanning, nail and eyelash salons), Tattoo Parlors, Piercing Parlors and Kiosks, Flea Markets

3/26 - The town of New Shoreham has issued a shelter in place order, effective March 24th until April 15th. Meal-delivery, and take-out options will still be available by those restaurants, cafes, and food trucks that choose to participate.

Executive Order for Restaurants, Bars and Public Gatherings (effective until 3/30/2020):

Executive Order for Close-Contact Business and Public Recreation (effective until 3/30/2020)
http://www.governor.ri.gov/documents/orders/Executive-Order-20-09.pdf

Press Release: https://www.ri.gov/press/view/37924

Effective March 17, 2020, the State is mandating that all restaurants transition to take out and curbside pickup. Hotels will be allowed to serve guests via room service.
General guidance and information:

- Through March 30th, there will be no on-site food consumption for restaurants, bars, coffee shops, or other food establishments in Rhode Island. (Establishments with a food license can continue to conduct pick-up, drive-thru and delivery only.)
- Avoid all crowded places, large events, and mass gatherings. However, people should continue doing essential errands (such as going to the grocery store).

The current drive-thru and takeout policy will be re-evaluated by the governor in 2 weeks.

3/22- Governor, RIDOH Provide Updates on State Actions during COVID-19 Crisis

Groups: Today the Governor reiterated that Rhode Islanders should avoid any non-essential gathering, and no gatherings should have more than 10 people.

Businesses: The Governor signed an Executive Order today directing all recreation and entertainment facilities to close their in-person operations. This includes theaters, cinemas, sporting events, bowling alleys and others. The Executive Order will also order the closure of any close-contact businesses like gyms, fitness centers, hair salons and barbershops, nail salons, spas and tattoo parlors. These businesses must be closed by 5PM tomorrow. Press Release: https://www.ri.gov/press/view/37985

SOUTH CAROLINA

South Carolina Department of Public Health: https://www.scdhec.gov/

South Carolina Office of the Governor: https://governor.sc.gov/

4/1 - The Governor is closing businesses in three categories for 15 days beginning at 5 p.m. on Wednesday, April 1st per his executive order.

Executive Orders Social Distancing
https://governor.sc.gov/sites/default/files/Documents/Executive-Orders/2020-03-21%20eFILED%20Executive%20Order%20No.%202020-12%20-%20Regulatory%20Flexibility%20to%20Facilitate%20Social%20Distancing.pdf

State of Emergency – effective for a period of 15 days

On Tuesday (March 17), Gov. Henry McMaster announced that all bars and restaurants statewide must cease offering dine-in service, effective Wednesday (March 18). Gatherings of more than 50 people are also banned across the state, the South Carolina Post and Courier reported.

The Governor is encouraging all affected facilities to provide take out, drive through or delivery service. Patrons may come into the facility to place orders. However, to promote social distancing, we are encouraging that orders be taken via phone, online or at a service window.

Retail stores, convenience stores and hotel breakfast service may continue to offer self-service food service such as grab and go, hot dog and pizza or other food pick up; however, any seating areas need to be closed.

Guidance Regarding Enforcement:

South Governor Henry McMaster has issued Executive Orders that have altered the normal course of business, particularly for restaurants.

Executive Order (2020-10) PROHIBITS food service establishments from selling food or beverages of any kind for on-premises consumption in the State of South Carolina through Tuesday, March 31, 2020. The Governor has authorized, permitted, and encouraged “to-go” orders, whether via delivery, carry-out or drive-thru distribution, curbside pick-up, or other alternate means.

EXECUTIVE ORDER NO. 2020-10

Executive Order (2020-12) ALLOWS current holders of a valid Beer and Wine Permit, as set forth in the Executive Order, to sell or deliver beer and wine in a sealed container for curbside delivery or pickup and off-premises consumption.

EXECUTIVE ORDER NO. 2020-12

Limit Personal Interaction to the Greatest Extent Possible.
Utilize and encourage online ordering or ordering via telephone when possible. Limit personal interactions that take place physically inside restaurants. Allow customers to order, pay, and receive their food and beverage without entering the location if possible. Remember, The President's Coronavirus Guidelines for America encourages us all to, “AVOID SOCIAL GATHERINGS in groups of 10 people.”

Remember, selling FOOD and BEVERAGE of ANY KIND for ON-PREMISES consumption is strictly prohibited by the Governor's Executive Order. Selling food and/or drink to consume on-premises while an individual waits for his or her “to-go” order is unlawful at this time.

Utilize and encourage curbside pick-up, delivery, and drive-thru options. Simply posting a number for customers to call when they arrive and providing curbside delivery/payment will help tremendously in the effort to reduce the spread of the virus.

If individuals must wait for their orders to be completed, we encourage you to practice social distancing. Again, the hope in restricting on-site consumption of food and beverage is to limit and contain the spread of COVID-19. Maintaining at least a 6-foot distance from other individuals is recommended, even while waiting for “to-go” orders. Practicing social distancing between employees and patrons is recommended.

CHARLESTON

- Large gatherings have been banned.
- Bars and restaurants have stopped serving onsite.
- Citizens have been urged to stay home for a period of 14 days.

Charleston SC updates: [https://www.charleston-sc.gov/2408/City-of-Charleston-Coronavirus-Updates](https://www.charleston-sc.gov/2408/City-of-Charleston-Coronavirus-Updates)

3/26 - Charleston has issued a “stay at home” ordinance, urging residents to only go out if it is to the grocery store, pharmacy, doctor’s office or outside for exercise. The ordinance goes into effect on Thursday morning and will stay in place for two weeks.

The ordinance exempts a large number of businesses currently operating with diminished staffing: grocery stores, health care facilities, utility companies, restaurants and bars that are using carry out or delivery, liquor stores, banks, construction, hardware stores, homeless shelters and news outlets, among others, are allowed to stay open.

- Stay At Home Order – effective March 26th and will expire 14 days later.

Executive Orders:

- Personal, Business and Healthcare Precautions - Executive Order 2020-08
- On Monday (March 16), SDRA sent the following press release to assure consumers that the supply chain for food and sanitary supplies remains intact and that businesses are taking extra precautions to minimize the impact of COVID-19. Click here to read the release.
- Governor Noem is working with the Small Business Administration to activate the Economic Injury Disaster Loan Fund Program in South Dakota. This program would help eligible businesses and non-profits impacted by COVID-19. If you are interested in learning more about this program click here to view the details.
- National Retail Federation President and CEO Matthew Shay and Retail Industry Leaders Association President Brian Dodge are advising consumers to shop responsibly during the coronavirus (COVID-19) pandemic. Click here to read the release.

SIOUX FALLS: City of Sioux Falls - https://www.siouxfalls.org/

3/24/2020 - The City of Sioux Falls has issued a state of emergency to address COVID-19 concerns. The city has closed all non-essential city buildings and limited gatherings to less than 10 people. Organizations and events around the Sioux Falls area are closing their doors or changing their hours as a precaution ahead of the spread of coronavirus.

Free Carry Out Parking for Downtown Businesses

- To assist downtown establishments, the City of Sioux Falls is placing free carry out parking signs at various downtown locations including restaurants and other food establishments.
HURON

Effective at 12:00 a.m. on March 23, 2020, all restaurants, food courts, coffee houses, bars, breweries, distilleries, wineries, clubs, cafes and other similar places of public accommodation offering food and beverages for on-site consumption, including any alcohol licensees with on-sale privileges, are closed to on-site/on-sale patrons. These businesses may continue to operate in order to provide take-out, delivery, curbside service, drive-thru service. Any business continuing to operate in order to provide off-site service should implement procedures to ensure social distancing and operate in compliance with federal and state health guidance in order to prevent the spread of COVID-19.

Ordinance No. 2207

RAPID CITY

Effective at 7:00 p.m. Friday, March 27, 2020, all restaurants, food courts, coffee houses, bars, breweries, distilleries, wineries, clubs, cafes and other similar places of public accommodation offering food and beverages for on-site consumption, including any alcohol licensees with on-sale privileges, are closed to on-site/on-sale patrons. These businesses may continue to operate in order to provide take-out, delivery, curbside service, and drive-thru service. Any business continuing to operate in order to provide off-site service should implement procedures to ensure social distancing and operate in compliance with federal and state health guidance in order to prevent the spread of COVID-19. This closure will remain in effect through Wednesday, April 8, 2020.

3/20 - Nashville restaurants restricted from dine-in service for COVID-19

Take-out orders, drive-thru service, curbside pickup, and delivery service are permitted, as long as restaurant patrons leave the premises with the food and do not stay to dine in the restaurant.

TEXAS

Texas Department of Public Health:  https://www.dshs.texas.gov/

Texas Restaurant Association:  http://www.txrestaurant.org/

Texas Governor:  https://gov.texas.gov/

3/31- Laredo TX- Starting Thursday, all people in Laredo over the age of 5 will have to wear some kind of covering, such as a homemade mask, scarf, bandanna or handkerchief, when entering a building open to the public. Residents will also have to cover their mouth and nose when using public transportation, taxis, ride shares or when pumping gas. Failure to comply can result in a fine of up to $1,000. Laredo’s city council issued the mandate on Tuesday.
3/31- Governor Greg Abbott today issued an Executive Order implementing Essential Services and Activities Protocols for the entire state of Texas. The protocols direct all Texans to minimize non-essential gatherings and in-person contact with people who are not in the same household. The Governor’s Executive Order renews and amends his previous order enforcing federal social distancing guidelines for COVID-19, including closing schools and instructing Texans to avoid eating or drinking at bars and restaurants. The protocols allow exceptions for essential activities and services based on the Department of Homeland Security’s guidelines on the Essential Critical Infrastructure Workforce. Examples of these essential services include healthcare, grocery stores, banking and financial services, utilities, child care for essential service employees, and government services.

Today’s Executive Order follows the decision by President Trump and the Centers for Disease Control and Prevention (CDC) to enhance social distancing guidelines and extend the deadline for these guidelines to April 30th.

“Social distancing is our best tool in the fight against COVID-19, and the actions we have taken thus far have proven to be effective in limiting the spread of this virus,” said Governor Abbott. “Now it is time to redouble our efforts to reduce further exposure as much as possible and flatten the curve. As with all the actions the state is taking, the Essential Services and Activities Protocols is informed by the expertise and guidance of the CDC as well as state and local health officials. I urge my fellow Texans to heed these heightened social distancing directives to protect their health and the health of those around them. By following these guidelines, we will limit the spread of COVID-19 and overcome this challenge together.”

The Executive Order renews and expands the Governor's previous directive to minimize social gatherings and minimize contact with people who are not in the same household. It also renews the Governor’s directive to avoid eating or drinking at bars, restaurants, and food courts, and visiting gyms or massage
establishments, and it expands the order to include tattoo studios, piercing studios, and cosmetology salons.

In accordance with federal guidelines, people are still prohibited from visiting nursing home, state supported living centers, assisted living facilities, or long-term care facilities unless to provide critical assistance. Additionally, schools will remain temporarily closed to in-person classroom attendance through May 4, 2020.

This Executive Order does not prohibit people from accessing essential services or engaging in essential daily activities, such as going to the grocery store or gas station, providing or obtaining other essential services, hunting or fishing, or engaging in physical activity like jogging or bicycling, so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household. The order also includes exemption for religious services conducted in churches, congregations, and houses of worship. All critical infrastructure will remain operational, and government entities and businesses will continue providing essential services.

TDEM will maintain an online list of essential services specified in the Governor's Executive Order at www.tdem.texas.gov/essentialservices/. Other essential services may be added to this list with the approval of TDEM.

These orders will be effective on a statewide basis starting at 12:01 AM on April 2, 2020 and will end on April 30, 2020, subject to extension thereafter based on the status of COVID-19 in Texas and the recommendations of the CDC.

View the Governor's Executive Order.
3/29 Governor issued a proclamation regarding his prior Executive Order mandating a self-quarantine for individuals arriving from the New York Tri-State Area and New Orleans, Louisiana. The Executive Order now includes air travelers arriving from the following states and cities:

- California
- Louisiana
- Washington
- Atlanta, Georgia
- Chicago, Illinois
- Detroit, Michigan
- Miami, Florida

---

3/26 GOVERNOR ABBOTT ISSUES EXECUTIVE ORDER MANDATING 14-DAY QUARANTINE FOR TRAVELERS ARRIVING FROM NEW YORK TRI-STATE AREA, NEW ORLEANS

Effective March 19th, the following orders have been issued by Governor Abbott:

- Order No. 1: In accordance with the Guidelines from the President and the CDC, every person in Texas shall avoid social gatherings in groups of more than 10 people.
- Order No. 2: In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged throughout the limited duration of this executive order.
• Order No. 3: In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes, retirement, or long-term care facilities unless to provide critical assistance.
• Order No. 4: In accordance with the Guidelines from the President and the CDC, schools shall temporarily close.

These orders will be effective on a statewide basis starting at 11:59 PM on March 20, 2020 and will end at 11:59 PM on April 3, 2020, subject to extension thereafter based on the status of COVID-19 in Texas and the recommendations of the CDC.

This executive order does not prohibit people from visiting a variety of places, including grocery stores, gas stations, parks, and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19. This executive order does not mandate sheltering in place. All critical infrastructure will remain operational, domestic travel will remain unrestricted, and government entities and businesses will continue providing essential services.

For offices and workplaces that remain open, employees should practice good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this executive order will expire.

Under Chapter 81 of the Health and Safety Code, Commissioner Hellerstedt’s Public Health Disaster Declaration triggers a number of important tools for state and local officials to respond to COVID-19:

• Texas and local health authorities can more easily require property owners to disinfect, decontaminate, and seal off property that might be contaminated.
• It authorizes health authorities to take additional control measures that they see fit to control and eradicate the threat to public health.
• It streamlines the process for state and local health authorities to invoke the courts to enforce quarantines of individuals.
• Activates enhanced tools for DSHS to collect disease and health information and to share that information with law enforcement personnel and first responders as appropriate.

*Engage in appropriate social distancing, including:*

- Maintaining a 6-foot distance at all times from other individuals when in public;
- Not shaking hands with other individuals;
- Not visiting friends or family without urgent need;
- Not attending any gathering of any number of people, except for members of the same household or residence.

*Food Directives:*

- Do not dine out except for carryout or delivery.
- Schools may send home food.

Restaurants, Bars, and Taverns. Effective at 11:59 p.m. on March 18, 2020, all food service, restaurants, self-serve buffets, salad bars, un-packaged self-serve food services, bars, taverns, nightclubs, private liquor clubs, and saloons in the state of Utah shall immediately close to members, guests, patrons, customers, and the general public. Notwithstanding the foregoing, food service may operate on a limited basis subject to the following operational restrictions and prohibitions:

All dine-in food service, whether inside or outside the establishment, is prohibited; food service establishments may not admit members, guests, patrons, or customers inside the establishment except to pick up food for take out.
Curbside take-out and drive-through food service (in addition to pickup service as noted above) is permitted. Where possible, online (e.g., Venmo, Squarecash, Google Pay, Apple Pay) and telephonic credit card transactions are strongly encouraged. Cash payments are strongly discouraged. Employees who handle cash or credit cards shall use cleansing measures between each transaction, including using any best practices issued by the Department. Employees who handle cash or credit cards may not participate in food preparation, handling, or delivery.

Third party delivery service (e.g., Uber Eats and DoorDash) is permitted. Employees of such services shall avoid physical contact with any customer. Employees of such services may not engage in any delivery services if the employee presents any symptoms of illness consistent with COVID-19. Employees of such services shall use cleansing measures between each transaction, including using any best practices issued by the Department.

Management of food service establishments shall ensure, on a daily basis and at the beginning of each shift, that no employee who presents any symptom of illness consistent with COVID-19 will be permitted to work.

Due to the circumstances and the continuing spread of COVID-19, the Department shall immediately close all business activity at any establishment that violates any provision of this Order.

RETURN OF ALCOHOLIC BEVERAGES FOR RESTAURANTS AND BARS

Restaurants and bars may return any unopened alcoholic beverages purchased from a state liquor store within the last 30 days for a FULL refund. Checks will be issued for any cash purchases.

SALT LAKE CITY- Salt Lake City Department of Health:  https://slco.org/health/

Food Service

https://slco.org/contentassets/2dc338f4566d4725bddd03f214bbd7f0c/health-department-restaurant-signage.pdf
Salt Lake County Health Department issued a [Public Health Order](#), effective Monday, March 16, at 11:00 p.m. that all food service, restaurants, self-serve buffets, bars, and tavern business operations in Salt Lake County are prohibited from providing dine-in food service. This order is effective for 30 days, beginning March 16, 2020.

Take-out, drive-thru, pick-up, and delivery (including by third-party services) food service is permitted; mobile food (trucks/carts) are also permitted. These non-dine-in food services are allowed only with the social distancing and sanitizing requirements outlined in the order.

All businesses and workplaces are required to implement social distancing measures and exclude symptomatic workers from physical attendance in the workplace. Social distancing should include at least 6 feet between customers in the establishment.

Cash payments are strongly discouraged. While third-party food delivery services (i.e. Uber Eats, Door Dash, etc.) are permitted, they must observe “no contact delivery” to eliminate person-to-person contact.

**SUMMIT COUNTY - Summit County website:** [https://www.summitcounty.org/](https://www.summitcounty.org/)

3/26 - The Stay At Home Order becomes effective on March 27th and will continue to be in effect until May 1st, or until it is extended, rescinded, superseded, or amended in writing. This Order will be re-evaluated in 14 calendar days.

Restaurants, Bars and Taverns

- Prohibition on all dine-in food service.
- Curbside take out or drive-thru food service is permitted.
- Employees must take food items to the curb and give item to the customer.
- For hotel restaurants, food items may only be delivered as room service or curbside services.
- Third party food delivery services (i.e. Uber Eats, Door Dash, etc.) are prohibited. Restaurants which had their own in-house delivery service on March, 15 2020 may continue such delivery services. Restaurants which had no in-house delivery service may not start an in-house delivery service after March 15, 2020.
- Management shall and must ensure daily that no employees show symptoms of illness and cannot work if ill.

VERMONT

Vermont Department of Public Health:  https://www.healthvermont.gov/

Vermont Chamber of Commerce:  https://www.vtchamber.com/

Vermont Office of Governor Phil Scott:  https://governor.vermont.gov/

4/1 - To preserve the public health and safety, any person, resident or non-resident, travelling into Vermont for anything other than an essential purpose, must immediately self-quarantine for 14 days or the balance of 14 days dating from the day of arrival.

Quarantine Restrictions on Travelers Arriving in Vermont

ADDENDUM 7 TO EXECUTIVE ORDER 01-20:

3/26 - Gov. Phil Scott has issued a Stay At Home order effective March 25th and will remain in effect until at least April 15th.

3/27 - A Vermont order for bars and restaurants to shift operations exclusively to takeout and delivery has been expanded to include alcohol. Those businesses will now be allowed to sell beer, wine and spirit-based drinks as part of a takeout order if its purchased with a meal. Curbside pickup is available for retail stores that may not normally sell food. Any deliveries must take place between 10 a.m. and 11 p.m.

Virginia Governor website: [https://www.governor.virginia.gov/](https://www.governor.virginia.gov/)

3/31 - Governor Ralph Northam has issued a statewide Stay at Home order with only a few exceptions for essential activities, including:

- Getting groceries or medicines.
- Caring for a sick family member or friend.
- Getting medical care for yourself.
- Going outside for exercise for yourself or pets (although not in groups larger than 10 people).
- Getting essential social or government services.
- Traveling to and from work or place of worship.
- Traveling required by court order or to facilitate child custody, visitation, or child care.

Executive Order - effective March 30th through June 10th

3/24/2020 - Closure of all dining and congregation areas in restaurants, dining establishments, food courts, breweries, microbreweries, distilleries, wineries, tasting rooms, and farmers markets effective 11:59 p.m., Tuesday, March 24, 2020 until 11:59 p.m., Thursday, April 23, 2020. Restaurants, dining
establishments, food courts, brewerias, microbreweries, distilleries, wineries, tasting rooms, and farmers markets may continue to offer delivery and take-out services.

Effective 11:59 p.m., Tuesday, March 24, 2020 until 11:59 p.m., Thursday, April 23, 2020, all public and private in person gatherings of 10 or more individuals are prohibited.

**Dining and On-Site Alcohol Establishments**

3/24/2020 - All dining and congregation areas in the following establishments must close to the public beginning at 11:59 PM on Tuesday, March 24, 2020. These establishments may continue to offer delivery and/or takeout services. Establishments include:

- Restaurants;
- Dining establishments;
- Food courts;
- Farmers markets;
- Breweries;
- Microbreweries;
- Distilleries;
- Wineries; and
- Tasting rooms

**Public and Private Gatherings**

Beginning 11:59 PM on March 24, gatherings of more than ten people are banned statewide. Governor Northam is urging Virginians to limit all non-essential travel outside the home, if and when possible. Those with chronic health conditions or aged 65 or older should self-quarantine.

**Information for Food Establishments:**

**Helpful Tips and Information for Food Establishments:**

Ways to Encourage Social Distancing in a Food Establishment

- Arrange seating to allow for at least six (6) feet of distance between tables/booths
- Reduce seating to no more than 10 patrons
- Suspend service to standing patrons and bar seating
- Consider allowing only takeout or delivery orders during a portion of your day
- Consider partnering with an online food ordering or delivering platform
- Discourage large dining parties

Suggested Control Measures to Reduce the Spread of COVID-19 in Food Establishments

Perform routine environmental cleaning

- Routinely clean frequently touched surfaces, including menus and digital ordering systems, condiment containers, salt and pepper shakers, countertops, doors and door handles, etc., with the cleaners that are EPA-approved for emerging viral pathogens. Use all cleaning products according to the directions on the label.

Provide additional precautions for customers within the establishment

- Make sure to keep employee and customer bathrooms stocked with soap and paper towels. Handwashing is one of the best ways to prevent COVID-19 transmission.
- Ensure adequate supply and convenient placement of alcohol-based hand sanitizers for use by customers inside food establishment.
- Provide extra supplies of napkins or tissues for customers to use when coughing or sneezing.
- If customer self-service is done within the establishment, consider additional employee oversight so contaminated surfaces can be cleaned, and any contaminated food or utensils can be removed. Based on volume and peak usage of self-service areas, replace utensils in these areas more frequently. Ensure food in self-service areas is properly protected using covers and sneeze shields

FAIRFAX

City of Fairfax website: https://www.fairfaxva.gov/

3/25 - The Mayor and City Council of Fairfax has issued a Declaration of Local Emergency that will remain effective until June 10, 2020. https://www.fairfaxva.gov/home/showdocument?id=14976

RICHMOND

Richmond Department of Health: http://www.vdh.virginia.gov/richmond-city/

The city of Richmond recommends limiting on-site service in establishments that serve food and drink within city limits; proposes amnesty on penalties and interest for most local taxes.

Executive Order (effective March 23rd until April 6th)

3/24 - Gov. Jay Inslee spoke directly to Washingtonians to announce he will sign a statewide order that requires everyone in the state to stay home. The order will last for two weeks and could be extended.

This proclamation will:

- Require every Washingtonian to stay home unless they need to pursue an essential activity.
- Ban all gatherings for social, spiritual and recreational purposes.
- Close all businesses except essential businesses.

Stay Home, Stay Healthier Order

https://www.governor.wa.gov/news-media/inslee-announces-stay-home-stay-healthy%C2%A0order

Gov. Jay Inslee announced that all restaurants, bars and entertainment or recreational facilities are ordered closed as of midnight, March 16, 2020 (Monday night). The order includes:

- Restaurants
- Food courts
- Bars and taverns
- Wine, beer and spirits tasting venues
- Doughnut shops and ice cream parlors
- Coffee shops
- Sit-down restaurants and bars

The closures will last until at least March 31, with the option of extending them. Take-out, drive-thru and delivery orders will be available for customers.

Public gatherings are limited to 50 or fewer people.

SEATTLE

Seattle Department of Health:  https://www.kingcounty.gov/depts/health.aspx

3/30 - Public Health's Health Officer, Dr. Jeff Duchin, issued a Quarantine Directive and Isolation Order to protect the health of our community and prevent the spread of COVID-19.
Local Health Officer Directive and Order, effective as of March 28, 2020

To limit the spread of COVID-19, King County Executive Dow Constantine and Health Officer Jeff Duchin announced a new Local Health Order that directed public health actions effective Monday, March 16.

Local Health Officer Order prohibited most social and recreational establishments from operating until further notice, provided strict guidance for food establishments limit service to drive through, take-out and delivery, and encouraged other essential retail establishments to stay open, as long as they take steps to minimize the spread of disease.

- All bars, dance clubs, fitness and health clubs, movie theaters, nightclubs, and other social and recreational establishments until at least March 31.
- All restaurants and food service establishments cannot provide dining room service.

FOR EVENTS:

- All events with 50 people or more are hereby prohibited until further notice;
- All events with fewer than 50 people are discouraged and prohibited unless event organizers observe the COVID-19 prevention measures.

Guidelines for Events

On March 17th, the Governor declared a ban on gatherings of 10 people or more.

Additionally, the Governor declared closing of dining rooms in restaurants. Foodservice establishments (restaurants and bars) are still allowed to do curbside, takeout and delivery.
Governor's Order

Press Release from Governor

Food Establishments

- Restaurants may remain open for take-out or delivery service only. No seating may be provided, and food may not be consumed at the restaurant. Restaurants shall preserve social distancing of six feet between customers during pick up.

- Retail food establishments (grocery stores, convenience stores, farmer’s markets), as long as the requirements listed below are followed
  - Close all seating intended for serving food;
  - Cease self-service operations of salad bars, beverage stations, and buffets; and
  - Prohibit customers from self-dispensing all unpackaged food.

All gatherings that bring together or are likely to bring together less than 10 people in a single room or confined or enclosed space at the same time must:

- Preserve social distancing of six feet between people; and
- Follow all other public health recommendations issued by DHS and CDC.

MILWAUKEE

Milwaukee Department of Health:  https://city.milwaukee.gov/

3/30 - List of Milwaukee bars and restaurants closed because of coronavirus concerns:  

3/30 - Milwaukee restaurants and bars are open for takeout and delivery during corona virus:  

Restaurant Carryout Zone Program

In an effort to slow the spread of the COVID-19 virus, on March 16 Governor Tony Evers restricted restaurant service to delivery and carry-out only. To assist restaurants that currently do not have a "Loading Zone" adjacent to their business, the City of Milwaukee has implemented a temporary program to provide "Restaurant Carryout Zones".
“Restaurant Carry-Out Zones” are intended to make it safe and convenient for customers to pick-up orders from restaurants. The expectation is that orders will be taken out to the customer’s vehicle and lessen possible exposure to COVID-19

To request the installation of signage and/or meter hoods to create a “Restaurant Carry-Out Zone”, please complete an ON-LINE REQUEST FORM

Signage will be installed by the Department of Public Works within 48 to 72 hours of your request

The program is 100% free to City of Milwaukee restaurateurs who currently do not have a “Loading Zone” adjacent to their business

This is a temporary program that will be evaluated over the upcoming weeks
